PRIVILEGES OF CONVOCATION.

By the provisions of the Royal Charter, and in accordance with the practice of the English Universities, the Convocation of the University consists of (in addition to the Chancellor the Provost, and Professors of Trinity College,) all Graduates in Divinity, Law, or Medicine, and of all Graduates in Arts of the standing of M.A., who from the time of their admission to these Degrees have paid annually the sum of five dollars towards the funds of the University.

All Degrees must be passed by Convocation before they can be granted by the University, and the Supplicats for each Degree must have been previously approved by a Committee of Convocation called the Caput.

Convocation has also been placed by the Corporation in the position of a Standing Committee of that body, so that its members are in this way enabled, through their representatives, to formally lay their resolutions before the Governing Body of the University. Convocation is represented by eight members on the Corporation (see above).

An annual meeting for the transaction of business is held every year in the October Term. The annual meetings for granting Degrees, are held for Degrees in Medicine, in April, and in the other Faculties of Arts, Divinity, Law, and Music, in June.
