The New Spring Dress Goods Are Attracting Much Attention

THE SHOWING OF NEW SPRING DRESS FABRICS is causing no small amount of comment among women of taste. Included in this stock are some very charming patterns in Novelty and Exclusive designs. Every known weave that goes toward making an attractive piece of goods is shown here, while the prices are indeed moderate.

Splendid Array of Washing Voiles

Very dainty effects are to be seen here in washing Voiles and should be exceedingly popular with women of taste for a dainty Summer or evening dress, while in the assortment there is diversity of style enough to suit every individual taste. Some of these effects possess an exclusiveness which will cause them too quickly to disappear, and as we cannot guarantee to duplicate, you will wisely make your selection. These dainty voiles are always in high favor because of the

The New Spring Muslins Are Worthy of Note

The charming display of new Spring muslins which are to be seen on the tables, First Floor, gives that department the atmospheric freshness of Spring. Like the first Spring flowers blooming so does these lovely creations pop up, while here and there you will find dainty effects much out of the ordinary. They are in stripes, floral and shadow effects, while the prices are indeed modest at 50c., 35c, 25c and 15c

New Arrivals in Misses and Children Dresses

We have just received a splendid assortment of Misses' and Children's Dresses, in all the latest washing materials. Of late we have had many calls for this class of clothing, but unfortunately the shipment was delayed. They are in colored effects in checks and stripe effects, also Buster Brown styles in English Cambrics and ginghams. Some made in Sailor style with full blouse and deep collar edged with four rows of white braid, with full skirt made with deep hem at bottom, short sleeve with turnover cuff, while others of the Buster Brown style are made with short sleeves finished with narrow tucks of red, yoke made of same, also in \$10.00 white, at prices ranging from 50c to
