DES MOINES MAKES A

Five Commissioners Are Governing the City Property.

World's Work has the following ac-

A year ago the city of Des Moines ceeded with. adopted what is now known as the Des Moines plan of city government BUILDING AGAIN by commission, a modification of that adopted by the city of Galveston. In brief, it put the whole government of the city in the hands of five men electing them salaries which enable them to devote their whole time to the work of governing the city. The plan, while. WANTED-Woman for house work. 1010 it insures individual responsibility, reserves a check upon the individual by the entire council, thus making the head of the department responsible to

> The system has been in operation in ination of small wastes. In fact, this more than covered the salaries of the commissioners, \$15,500. Under the old aldermanic system, no interest was received on city funds. They now draw 4 per cent. on time and 2 per cent. on the guilty parties paying for them.

There has been a wonderful improvement in the street-cleaning service. With only \$35,000 in the fund, the boundaries. streets have been kept in good condi-tion and the alleys clean for the first out litigation the city lowered the rates \$75 to \$65 under an all-night schedule the city and the street railway cominterest in the railway company's business. The disreputable district has been wiped out. While it could not truthfully be said that the reform in this respect is complete, the evils have been greatly reduced. Coincident with the suppression of disreputable houses, abolished. Bondsmen are no longer allowed to operate in the police court. An agreement between the railroads and the city for the construction of a viaduct over the railway tracks has now been reached without litigation. It can be safely said that the city hall is free from politicians and political influences, and that the old political

ticipated in the years to come, when it is hoped that the entire council will human skin. Its delicate tiny pores, be in thorough sympathy with the

Shipments From Southeastern B. C. This Year Exceed Million Tons.

Nelson, Aug. 11.-With last week's hipments the total output of the Bla-

per Company's properties in the Boundary were idle for three months and the Le Roi has been closed nearly all year. The B. C. Copper has, however, now resumed operations, the first ship-ments since May 2nd being recorded last week, while it is also expected that the Le Roi will shortly be reinstated on the shipping list in the near future. The outlook for the remaining menths of the year is that the production will
