It is to be particularly understood that all outstanding subscription accounts due after November 10th, 1892, are to be settled on the old terms, viz., \$2 per year, the advertised credit rate.

I have made the foregoing changes in the business of the ADVANCE The first is because many patrons who have been given credit, have abused the privilege to such an extent as to make the business of publishing the paper a non-paying one, and it is necessary, in my own interest and that of those who do pay, that I should no longer continue to furnish the AD TANCE to those non-paying subscribers.

The second reason is, that I wish to meet the competition of the situ workling which are made up from the target that the life. city weeklies, which are made up from the type of the dailies and, therefore, cost little for production in comparison with a local paper like the ADVANCE, the type of which must be set up especially

Having now published the ADVANCE for nearly 19 years, and endeavored to make it a creditable representative of Miramichi and North Shore enterprise-a paper which may be taken into any household without fear that it has catered to sensationalism at the sacrifice of that cleanliness of matter, which is too often neglected by the press of the day-I have reason to hope the foregoing announcement will meet with general approval and be the means of largely increasing the circulation and influence of the paper.
