ST. JOHN STAR, MONDAY, MARCH 6, 1905.

#### "Pa, what is eloquence?" Eloquence, my son, is "gab

with its good clothes on."--Judge.

The above teaches us that good clothes change the attitude of other things than men and women.

"The "apparel oft proclaims the man". The more reason why it should be attractive, distinctive and elegant.

All this features at Gilmour's in made-tomeasure and ready-tailored garments.

"Eloquent" showerproofs and short Over coats in stylish materials.
