### LOGAN WAS GIVEN A HEARTY WELCOME

But Had to Listen to Speeches at City Hall

He Received Two Gifts, Both Being in Cash—Promises to do His Best at Pittsburg.

Fred Logan, the speedy skater, who made such an excellent showing at Saranac Lake, N. Y., and Montreal, returned to the city at noon today. He was given a grand reception. The train shed was crowded and as Logan stepped off the train the Grand Band, which was in attendance, struck up a lively tune. The hundreds of admirers crowded about him and he was carried to a large sleigh which was in waiting outside of the station. Logan, several of his friends and the band boarded the sleigh and they were driven to City Hall. All along the way crowds were waiting to cheer the young skater.  
In the committee room at City Hall the most pleasing part of the programme took place. Mayor Sears was the first to speak. He said: "Mr. Logan your heart must beat with pleasure at coming home after so successful a trip. The hearts of all good citizens beat with pleasure for you." His worship mentioned that it was to be regretted that Mr. Logan had not skated under St. John colors. He hoped that arrangements could be made the next time so that the hero of the day could represent some local club. After his speech the mayor presented to Mr. Logan \$100.  
Ald. McGladrick took the floor. He claimed that Logan "was there with the goods." "We have had the Paris crew and other celebrated people," said he, "but none of them were any better skater than you Logan."  
Joe Page, of Montreal, who helped to look after Mr. Logan in that city, spoke a few words. He said that he had witnessed the races. The other skaters went on unanimously saying that Logan was a good clean skater. The St. John boy received a great ovation in Quebec when he arrived there. The crowd then called on Logan for a speech. He said that he wished to thank those who were kind enough to give him such a grand reception. He would strive to do as well in Pittsburg. The crowd then left the building, and the sleigh was again boarded.

The skater speaks in the highest terms of the treatment accorded him in Montreal and New York.  
The party was given the additional subscriptions which were obtained for the Mayor's presentation: Fred A. Jones, \$2; Wm. Munroe, \$1; H. Goddard, \$1; H. C. T., \$1; A. S. B., \$1; Florence McCarthy, \$1; J. Prosdhan, \$1; P. O'Neill, \$2; Royal Hotel, \$2; R. O'Regan, \$2; The Carleton crew, Messrs. Lamereau, Tippetts, H. Belyea and F. Belyea, \$5; F. L. ### ARRESTED FOR STEALING FROM A SHIPMATE

In the police court this morning two drunks, a man and a woman, were fined \$4 each.  
Police Sgt. Baxter made a quick arrest yesterday afternoon. He was met in King Square about four o'clock by John Roberts, second steward of the steamer Canada Cape, who claimed that he had been robbed of \$21.50 and that he suspected Raphael Barrosse, a 28 year old Belgian. Roberts gave the sergeant a description of the suspect and in less than half an hour the officer spotted a man on Dock street who answered the description, and when stopped answered to the name. When identified by Roberts and searched a letter containing five dollars and some tickets and addressed to Roberts' wife was found on the prisoner, who could not explain how he came by it. He became indignant at the prisoner held like a thief. On further search \$21.50 was also found on him. He was intoxicated and besides the charge of stealing he was charged with drunkennes. This morning Magistrate Ritchie fined Barrosse \$8 for being drunk and remanded him on the charge of stealing.

### NEWFOUNDLANDERS HAD A GREAT TIME

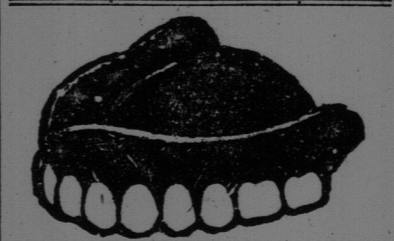

Both Curlers and Band Boys Who Competed in Upper Canada

The I. C. R. express from Montreal, which was six hours late yesterday, arriving after seven o'clock in the evening, brought east the Newfoundland curlers, who participated in the anniversary bonspiel at Montreal. The Boys' Church of England Band, of St. John's, Nfld., proceeded towards home by the same train, the sailors together occupying a special car.  
J. Syme, of the curling party, spoke in highest terms of the treatment accorded himself and friends in Montreal and the Ontario cities in which they played. Everybody gave them a right royal welcome and the jolliest of good times. In the bonspiel the Newfoundlanders waded through the ranks until the semi-finals were reached. Here they met their Waterloo. Of the St. John curlers, Messrs. Shaw, Malcolm and the others, Mr. Syme spoke in glowing terms. He characterized them as the cleverest of curlers and Mr. Syme knows, for he is a brave and canny player himself of the old stock.  
The Boys' Church Band, which participated in the Earl Grey competition at Ottawa also reported a very enjoyable stay in Upper Canada. The youthful musicians organized in and somewhat the same arrangement as the St. Mary's Band of this city, and can create delightful music. Their instructor and bandmaster is Capt. N. Snow, and the organization is over twenty strong. In the competition at Ottawa the boys won second place, the Quebec City band being victorious in capturing the premier prize. Among the selections rendered by the Newfoundlanders were: March, from Wagner's Tambour; overture to William Tell, selection from Il Trovatore, waltz music from Faust, Sousa marches, etc.  
Altogether the island of Newfoundland was quite a conspicuous figure in Upper Canada last week, almost as prominent as St. John city with its champion skaters and curlers.

Lieut.-Governor Snowball has received a telegram from Ottawa saying that Earl Grey desires that the arrival of the body of Lady Grenfell, which is to be taken on board the Empress of Britain, should be entirely of a private nature.
