Insist on seeing this Trade Mark on every Toilet and Medicinal Preparation you buy. It is your assurance that you are getting the best.

In buying food, clothing or house furnishings you can judge their quality by their looks, feeling, taste or smell.

But when you buy Toilet or Medicinal Preparations your senses give you no clue to quality—you must buy on faith. You take no chances, though, but are safe, if you always select preparations bearing on the package the Na-Dru-Co Trade Mark shown above. This Trade Mark is positive evidence that the article which bears it, whether Toilet or Medicinal, has been compounded by expert chemists, from the purest and best ingredients, according to formulae that have been tried out and proved safe and effective.

We are prepared to furnish, on request, to any physician or druggist in Canada, a full list of the ingredients in any Na-Dru-Co Medicinal Preparation. Ask these men, in whom you place implicit confidence, all about the Na-Dru-Co Line.

If after trying any article sold under the NA-DRU-CO Trade Mark you are not entirely satisfied, return the balance to the Druggist from whom you bought it and he will refund to you the full purchase price, charging it, at our request, to us."

When your physician gives you a prescription, you would not think of having it filled by any but a qualified and reliable druggist. Why then should you not know who compounds the household remedies which you and your family take? When you buy a preparation bearing the Na-Dru-Co Trade Mark you buy a product which has been compounded by properly qualified chemists, in the employ of the largest Drug Firm in the British Empire, the National Drug and Chemical Co. of Canada, Limited.

We realize that the success of the whole Na-Dru-Co Line of over 100 articles depends on the highest quality being maintained in every one, and you can absolutely depend on getting, under the Na-Dru-Co Trade Mark, the best that brains and money can produce. So sure are we of the quality of Na-Dru-Co goods that we back up each and every package with the unconditional guarantee quoted in the inner circle.

requires strong men. Almost superhuman strength is needed to float the huge logs and manipulate the great rafts in their perilous journeys to the centers of commerce. Only men full of vitality can perform such daily tasks and even the hardest are in constant need of a tonic and stimulant to enable them to withstand the strain. A real strength-restorer is found by them in
