SPAIN TO BREAK DIPLOMATIC RELATIONS WITH GERMAN EMPIRE

Pertinent Resolutions Adopted at Great Mass Meeting Presented to Government.

Madrid, May 28, via Paris.—Resolutions adopted at the great mass meeting in Madrid yesterday, were presented to the Spanish cabinet of the interior today. The resolutions were to the effect that:

"First—Spain should not remain isolated in the European conflict.

"Second—Spain should change her policy toward France and Great Britain and their Allies.

"Third—Following Germany's breach of Spanish neutrality Spain should break diplomatic relations with Germany and should accept all the consequences from the action which she is compelled to adopt for the defense of her dignity.

Could Not Lift Stick of Wood

Would Almost Faint From Severe Pain in Back—Doctors Could Not Get the Kidneys Set Right.

Benton, N. B., May 28.—A great many people suffer the results of damaged kidneys and do not understand the cause of trouble or the way to obtain cure. The writer of this letter suffered excruciating pains in the back and in vain his physician tried to cure him. For some reason or other his medicines did not have the desired effect.

Mr. Otis' brother was a merchant selling, among other medicines, Dr. Chase's Kidney-Liver Pills, and he heard his customers telling about how they were cured of kidney derangements by their use. This led to Mr. Otis putting them to the test, with the splendid results reported in this letter.

Mr. E. C. Otis, Benton, Carleton County, N. B., writes: "I am glad to let you know how much your medicine has done for me. I suffered from my kidneys which at one time were so bad I could not lift a stick of wood, but it did not help me. My brother, who is a merchant, and carries all your medicines, advised me to try Dr. Chase's Kidney-Liver Pills. I got one box, and they helped me, so I got another one, and kept on until I had taken five boxes, which cured me. I have had no trouble with my back since, and am never without Dr. Chase's Kidney-Liver Pills in the house."

Last summer I also suffered from piles. I used three boxes of your Ointment, and it cured them. I can certainly recommend Dr. Chase's Pills and Ointment."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 50c a box, 5 for \$1.00, at all dealers, or Edmondson, Bates & Co., Limited, Toronto.

CHALMERS BUILDING
WALKERVILLE, ONT., MAY 29.—The building of automobiles was started in the new Chalmers factory today. It is just two weeks since the erection of temporary buildings began. Already over 20,000 square feet of floor space are under foot. The new Canadian Chalmers factory which is being rushed forward to completion with all possible speed promises to give this company greater facilities for handling their rapidly growing business.

Y. M. C. I. BASKETBALL.
A game of basketball was warmly contested between "A" and "B" teams in the Y. M. C. I. series yesterday afternoon. "A" team won by a score of 15 to 5. The teams lined up as follows:

Team "A" Forward, Team "B" Forward.
Dwyer, Cunningham
Wall, Driscoll
Centre, Campbell

Power, Backs.
Kane, McBriarty
Gonnell, Cormier
Goals from floor by winners—Wall 1; Dwyer 3; Gonnell 2; Power 1. Total, Power 5.

Goals from floor by "B" team—Cunningham 2; Foul, Cunningham 1. G. V. McGee officiated as referee. Considerable interest is being manifested in this series as it means the school boy championship for the winners. The series now stands about even, and the final game will be played on Thursday afternoon next.

A SPECTACULAR CONTEST WITNESSED LAST EVENING ON ST. PETER'S GROUNDS

Thistles and Maples Played a Game Full of Thrills and Unexpected Plays—The Score Ended 7-7—Harrington Held Down the Centre Rug with Class—Thistles Worked Three Pitchers.

Had it been possible for old Euclid to revisit this sphere, and had he arrived last night and taken a seat unopposed on the bleachers at St. Peter's, the school children in subsequent generations would be able to prove that "errorless" Haggerty can cover the sides of a quadrilateral in the same length of time that any other human being can cross a diagonal. Surprise succeeded surprise in the course of last night's contest, and the final count, the total of fourteen runs being divided evenly between the contesting teams.

The Maples won the game in the first and second innings, but sold it in the fourth, when Lenthian and McClellan discovered Jobby's fly wheel secret and clapped him for two feeble hits. These could have been gathered in by "Dubby," had he moved away from his own doorstep at first, but the old song "Home Sweet Home" must have been ringing in his ears about the time those fly balls lit near his place of abode as he refused to leave his initial domicile. After the Thistles once got on the sawdust heap she looked bad. And when O'Connor placed a sacrifice in No Man's Land and Lenthian crossed the plate marking the first score for the "burs," these of the fans who claim relationship to Isaiah, the prophet, gave the game to the Thistles. With two on and one down in this inning Jobby apparently thought the best way out of the hole was to hit them off, but the old song "Home Sweet Home" was the first to face the belligerent twirler. He got it, as the boys say, in the "Co-Co," and the noise resembled a blast at Courtney Bay. However, the Thistles were out for a win at all cost, and with the exception of a lump about the size of an egg, which Howard still carries, no other casualties occurred. Lenthian took the base for Howard, and she stood thus, three on and one out with the score three to one. McKenzie was the next man up, and he was retired after three vicious swings at the air. With two down and three on excitement ran high. Dever was the man who broke O'Connor's heart. He placed the sphere far enough from

the plate to give him a two bagger and chase in three runs ahead of him. Haggerty, the next man up went the limit with a return ticket. The way that boy climbed around the bags would make Tom Longboat return from Europe to take a look. Not only did he add to the list of runs, but Dever arrived in on the same hit making the score seven to three. The game looked sick for O'Connor's performers, but the amateur manager snapped the whip for the final show and the sawdust pones came through with an act that had a real climax. Connolly was the first pony to trot home. Howard, the hardest pony to feed in the world, because he is too short for high balls and too high for low balls, was the leading light in the climax. His worth was realized in the last act when he and McClellan made the round trip tying the score 7-7. Both players received a great ovation as they stood back and smiled as the scorer jotted down the things that count in a ball game. It was the big drive of the evening, and the men, who led the Maples will go down in local baseball history. The Maple aggregation was a sur-

prise for the fans. The way O'Connor has pounded that bunch into shape shows that he has not lost any time since the game with the Shamrocks when they were defeated 5-0. With the exception of the veteran father of baldom, Dubby Dever, the team was practically the same as the opening game. Jobby pitched a heart-breaking game last night, and would, no doubt, have carried a piece of the bacon home had he been supported. The Thistles on the other hand were obliged to change the main guard twice—McKenzie was moved in the first, and O'Connor in the final. It looks as though a three cornered league in the North End will be the feature of sports in the city this summer, as the Y. M. C. I. have about decided to drop out.
