

EDGAR BEERHAM STILL AT LARGE

Man Who Escaped from County Jail Was Supplied With Acid, Vaseline and Hack Saw Outfit by Some Visitor.

Edgar Beerham, who escaped from the county jail some time between 11 p. m., Friday and early Saturday morning, while waiting his sentence on the charge of burglary from the store of W. E. Thorne and Co., is still at large and the police have no clue as to his whereabouts.

The prisoner made his escape by cutting the bars of a cell window thus effecting egress from the building. In the morning there was found in his cell a bottle of acid, a jar of vaseline and a steel hack-saw outfit, which must have been smuggled to the prisoner by a visitor to the jail at some time, as he received no bulky parcels by mail and all that came were thoroughly examined.

In the meantime, telegrams and phone messages have been sent to all adjoining districts and it is expected that the fugitive will soon be apprehended, together with the person who aided in his escape, and who, it is thought by the authorities, is at present with him.

The president, Mrs. A. Pierce Crockett, presided.

Toronto, Sept. 30.—A Dominion wide organization of returned soldiers, the veterans council, is to be formed to take in the following organizations: United Veterans League, Grand Army of Canada, His Majesty's Army and Navy Veterans, and the Army and Navy Veterans of Canada.

The G. W. V. A. is being asked to join the veterans' council. The recently formed United Veterans League of which J. H. Flynn, of Toronto is president, is the prime mover in the new association.

Soldiers' And Sailors' Monument

Impressive Ceremony at the Unveiling in Fernhill Cemetery Yesterday Afternoon —Is the Gift of the I. O. D. E.

Under the clear autumn sky, with the falling leaves from neighboring trees giving nature's proof of the passing time, the Soldiers' and Sailors' Monument at Fernhill Cemetery was unveiled yesterday afternoon in the presence of an invited number of guests, including Lieut.-Governor Wm. Pugsley, Mrs. Pugsley, Col. A. H. H. Powell, representing the military authorities; Capt. A. J. Mulcahy, representing the Navy; Mrs. Hugh MacKay, regent of the Municipal Chapter of the I. O. D. E.; members of the Valerians, DeMolles and Royal Standard Chapters; Mrs. J. H. Tillison; E. T. Sturdee, president of the Fernhill Cemetery Company; J. A. Lusk, A. W. Adams, C. G. Scammell, G. W. Ketchum, F. A. Hamilton, A. L. Rising, Peter Campbell and H. C. Rankine. Invitations were also sent to representatives of the G. W. V. A.

In a few brief remarks, Mrs. Hugh MacKay, president of the Municipal Chapter of the I. O. D. E., in the presence of the monument, how each chapter had volunteered to contribute towards the effort, and the results which had made the present memorial possible. On behalf of the Daughters of the Empire, she then presented the monument to the province through its representative, Lieut.-Governor Pugsley.

After acknowledging the gift, the Lieut.-Governor, in turn, placed the memorial in the safekeeping of the Fernhill Cemetery Company, and to his address the president of the company, E. T. Sturdee, briefly responded. The monument stands in the centre of the Field of Honor, resting on a solid concrete foundation donated by the Fernhill Cemetery Company, which is four inches above the level of the road, and extends twenty inches all around beyond the base, giving an opportunity to study the stones closely.

There are two large bases of solid granite. The centre one is a laurel wreath, with the dates 1914-1918; to the left is a scene showing artillery in action, while on the right is seen infantry wearing steel helmets and wearing a machine gun; and further to the right is also a bronze plate showing a battle cruiser steaming at full speed and with smoke pouring out of her funnels. Above this base stands the die or main shaft with sloping buttresses on each side. The top bears a large bronze of the crest of the I. O. D. E. showing crown and Union Jack very well brought out, while just below in circular form are the words "Our Honored Dead"; below which, filling the semi-circular space, is a Latin cross with gothic armaments; then follows the inscription: "Erected by The Imperial Order Daughters of the Empire, St. John, in memory of the Sailors and Soldiers buried in this Plot. For King and Country. Underneath this again in semi-circular form are the words: "Their names liveth forevermore," which is the motto chosen by The Imperial Graveyarders' Commission, at the suggestion of Rudyard Kipling. Underneath this is a fouled anchor and a maple leaf, all the lettering and emblems being in relief and polished.

The total height is about twelve feet, and as the Naval and Military Plot stands some five feet from the level of the avenue, the monument looks very imposing. It is manufactured of Spoon Island granite, with not a flaw or dark spot throughout, the field guns and large shells on either side making a striking finish. The work was done by John S. Seaton, and the bronze castings by Messrs. McAvilly from designs made and carved by John Rogerson. There are now in the plot thirty-three soldiers' graves, each marked by a white headstone with number and initials, in addition to a small Union Jack, while a lady interred in soldiers' keeps fresh flowers continually on the plot. The bronze on the monument, at present bright, will soon turn dark, with the exception of the flag on the crest, which is polished.

On either side of the memorial is a light field gun, suitably mounted, and as the base of the structure are brightly polished shrapnel shells. At the base of the mound is the inscription in bold relief: "The Field of Honor

CUSTOM RECEIPTS AT MONTREAL IN BIG INCREASE

Inland Revenue Returns Reveal Spirituous Liquors as Playing An Important Part in Gov't Revenues.

Special to The Standard. Montreal, Sept. 30.—Customs receipts for the port of Montreal for the month of September constituted a record for two years, the total collected being \$3,731,015. This is the second largest amount ever collected, the largest in the history of the local office being in May, 1917, when the sum was \$4,029,715. The amount taken for the month just closed exceeds the same month last year by \$908,194, and the increase over August of this year is \$469,934. The very substantial advance in the customs receipts is said to be due to the general activity of business and shipping, and had there not been interruptions, owing to strikes on the other side, it is probable that the amount would stand still higher.

Inland Revenue receipts for the division of Montreal also showed an increase for the month just closed, the total receipts being \$2,464,266, an increase of \$444,141 on the corresponding month last year. On the other hand, this was a drop of about \$340,000 on the month of August of the amount collected in September. It is estimated by Chief Inspector Bernier that spirits must have contributed about \$150,000, which would show an increase of \$40,000 for the same commodity over the previous month. The supposition is that private household stocks which were taken before May last are being replenished.

YOUTH CAUGHT IN WATERWHEEL IS CRUSHED TO DEATH

Halifax, N. S., Sept. 30.—James Lester Burdige, aged eight years, was instantly killed at Dartmouth this afternoon. The boy was playing in the canal near the water wheel which supplies the Dartmouth Machine and Forge Company with water, in some manner he became entangled in the wheel and was whirled round and round. The wheel was stopped, but the boy was dead, his body being terribly mangled.

The groom, the son of Mr. and Mrs. T. V. Monahan, Barker House, Fredericton, is the popular deskmanship at this well-known hostelry, and by his courteous attention to the travelling public has made many warm personal friends who extend congratulations and best wishes to him and his bride.

The bride was attractively gowned in a travelling suit of blue, with corsage bouquet of American Beauty roses, and picture hat to match. She was attended by Miss Gertrude Hildon, of Fredericton, a school girl friend, who was similarly gowned. The groom was attended by Mr. S. H. Hanson, of this city.

After a honeymoon, to be spent in Halifax, the happy young couple will reside at the Barker House in Fredericton, where the best wishes of their many friends will go with them.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and felt the same way most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound that I bought a bottle and took it for a week and felt a little better. I kept it up for three months and am now well. I do not think the Vegetable Compound can be beaten for women's ailments.

The majority of mothers nowadays overlook their own health demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in their lives that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthine.

WEDDINGS Hopper-Cummins. Moncton, Sept. 30.—The home of Mr. W. H. Cummins, Lewisville, was the scene of a pretty wedding at this afternoon when Mr. Cummins' daughter, Miss Clara M., was married to Stanley C. Hopper, son of S. D. Hopper, Lewisville. The ceremony was performed by Rev. C. W. Corey, pastor of the Suburban Baptist church, in the presence of the immediate friends of the contracting parties. Mr. and Mrs. Hopper left this afternoon on a wedding trip to P. E. Island and on their return will reside in Lewisville.

POPULAR C. P. R. CONDUCTOR DIES

Charles McGibbon, for Many Years on the Gibson Branch Passes Out from Stroke of Apoplexy.

Fredericton, Sept. 30.—This community was saddened when it was learned tonight that Charles McGibbon, a most highly respected and popular conductor in the service of the C. P. R., had passed from the chamber of life to the chamber of death, following a stroke of apoplexy. The deceased has been in the employ of the C. P. R. for thirty-five years, and during the past twenty-one years has been the efficient and popular conductor on the Gibson branch, running between Fredericton and Woodstock. He was taken suddenly ill at Southampton today on the return run from Woodstock. Life left the body just as he was being carried into his home in this city.

During his long years of service Conductor McGibbon has made a host of friends, among the travelling public who will regret his sudden passing. The deceased was born at Maugeville 60 years ago. He is survived by his wife and two sons, Dr. Roy McGibbon, of the Canadian Dental Corps, now stationed at the military hospital in Fredericton, and Lieut. Frank McGibbon, recently returned from overseas.

Funeral services will occur Thursday afternoon under the auspices of Horam Lodge, F. and A. M.

MONAHAN-LOVE

Popular Young Couple of Fredericton Married in This City Yesterday.

A quiet but impressive and interesting wedding ceremony was celebrated yesterday afternoon when Ray H. Goodwin, of the Centenary Church, united in the holy bonds of wedlock Miss Guida Love, of South Devon, and Mr. Louis Monahan, of Fredericton.

The bride, who is a young lady of charming personality, was the most efficient and obliging operator at the telephone desk in the Government building at Fredericton, and has a host of friends who join heartily in extending best wishes for a happy wedded life.

The groom, the son of Mr. and Mrs. T. V. Monahan, Barker House, Fredericton, is the popular deskmanship at this well-known hostelry, and by his courteous attention to the travelling public has made many warm personal friends who extend congratulations and best wishes to him and his bride.

SENSATIONAL DEVELOPMENTS IN HARLAKE ROBBERY

Label Cases Against Two Quebec Newspapers Have Been Filed by Peter Berco-vitch, K. C.

Quebec, Sept. 30.—There have been further startling developments in connection with the Harlake train robbery, in as much as it is now known that besides the haul of \$71,000 for which George Topping, J. T. B. Provan and J. E. Levesque are jointly held, a package of jewelry mailed by the firm of Henry Birtz and Sons of Montreal, was stolen on the morning of the hold-up of the mail car. Another sensational side-issue of the case is a threatening action for libel by Mr. Peter Berco-vitch, K. C., against two Quebec newspapers, for publishing statements which they attribute to Judge Langelier, called in which the judge was quoted as criticizing Mr. Berco-vitch for not turning the money over to the authorities. The newspapers in question the judge said: "If the money was found and carried through the streets, it is irregular and inadmissible. The court does not know that the money has been found. The place for this money is in the hands of the clerk of the Crown so that it be impounded."

The publication of this statement caused a sensation in the city and about the court house and at the resumption of the inquiry this afternoon Mr. A. Hinfret, K. C., acting for Lady's agency with Mr. Berco-vitch, called the attention of the court to a seven column heading in a newspaper which read: "Judge Langelier criticizes Mr. Berco-vitch."

Mr. Hinfret objected to the report, and stated it was devoid of all foundation of truth. Judge Langelier said that the objection raised was justified, as he had never criticized the actions of Mr. Berco-vitch and was not there to comment on the actions of any lawyer in the case.

Mr. Berco-vitch stated tonight that he was very much annoyed about these false reports, and stated that he would exact a complete retraction, and an acknowledgment that the reports were false and an explanation of regret from the newspapers for having published them. Mr. Armand Lavergne is acting for him in the matter.

ITALIANS AT TRAU REQUEST HELP

Claim to be Oppressed and Ill-Treated by Serbians.

Rome, Sept. 30.—The Italians at Trau, Dalmatia, have requested the Italian government to send a ship to Trau for their protection and also to obtain the release of a prominent Italian arrested by the Serbians. The government has replied that it cannot interfere for the maintenance of order in sections of Dalmatia entrusted to the care of the Americans, but that it will convey the appeal to the American commander, Rear-Admiral Andrews.

CANADIAN MFRS. ASSOCIATION AT FREDERICTON

Fifteen Members of the Association, Prominent in the Industrial World, in the Party—In St. John Today.

Special to The Standard. Fredericton, Sept. 30.—The delegation of fifteen members of the Canadian Manufacturers' Association arrived here this morning from Montreal. They held a short meeting in the Board of Trade rooms soon after their arrival to make arrangements for their afternoon programme. The party had lunch at the Queen Hotel and left in company of members of the Board of Trade for an auto drive up the St. John River. They had dinner at Glendale and then returned to the city in time to take the evening train for St. John, where they will attend the meeting of the Executive Council of the Canadian Manufacturers' Association tomorrow.

Among those in the party are F. P. Howard, of the Phoenix Bridge and Iron Works, Montreal, President of the Canadian Manufacturers' Association; J. E. Philadelphia, Pa.—"I was very weak, always tired, my back ached, and felt the same way most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound that I bought a bottle and took it for a week and felt a little better. I kept it up for three months and am now well. I do not think the Vegetable Compound can be beaten for women's ailments.

The majority of mothers nowadays overlook their own health demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in their lives that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthine.

WEDDINGS Hopper-Cummins. Moncton, Sept. 30.—The home of Mr. W. H. Cummins, Lewisville, was the scene of a pretty wedding at this afternoon when Mr. Cummins' daughter, Miss Clara M., was married to Stanley C. Hopper, son of S. D. Hopper, Lewisville. The ceremony was performed by Rev. C. W. Corey, pastor of the Suburban Baptist church, in the presence of the immediate friends of the contracting parties. Mr. and Mrs. Hopper left this afternoon on a wedding trip to P. E. Island and on their return will reside in Lewisville.
