THE KING'S COLLEGE BOARD OF GOVERNORS

Midwinter Meeting Held—University Work Reviewed—Advance Movement Reached Over \$90,000—Special Courses for Returned Men.

The midwinter meeting of the Board of Governors of King's College, Windsor, was held yesterday at the Church of England Institute. There was an unusually good attendance, both bishops being present, as well as Dean Lloyd of Halifax, Canon Smithers, Archdeacon Forsythe, Judge Hewson and others.

The board reviewed the work of the university for the past year, academic as well as financial. The advance movement for extension purposes now has reached more than \$90,000, of which \$30,000 have been paid in. The campaign will be completed by May 1st when it seems likely the full objective will be reached. President Boyle reported the college activities, all of which are in a very healthy condition. The chief business was the discussion of ways and means to put the different departments on a more normal pre-war basis. It is anticipated that with the return of the overseas students the college next autumn will be full. It will be remembered that Kings enlisted over 80 per cent of her actual undergraduates, of whom fourteen have given their lives. Kings in common with practically all Canadian universities will provide special courses and special training for returned men, including matriculation and will offer special facilities to them. King's College School reported special progress and the largest attendance in its history. Steps were taken to make this expansion permanent. The general spirit of the meeting was very optimistic and measures were taken looking towards the general advancement of the university.

Evidence Crops Up Every Day

That Dodd's Kidney Pills Always Help Kidney Disease.

Quebec Man Who Suffered From a Run-down System and Kidney Disease Finds Quick Relief.

Miguasha Point, Que., Jan. 31.—(Special).—More evidence crops up this vicinity every day to prove that for run-down people there is no remedy to equal Dodd's Kidney Pills. Among the many who have come forward with statements is Mr. Paul Landry, a well known resident, whose testimony can easily be corroborated. "It is with great pleasure that I write to tell you that Dodd's Kidney Pills are the best medicine that I have ever taken," Mr. Landry states. "When I commenced to take them there was not much to be heard of. After taking four boxes I felt like myself again. I advise all persons who suffer from kidney disease to take Dodd's Kidney Pills." Dodd's Kidney Pills are popular all over this country, because they not only cure the pains and aches of the different diseases springing from disordered kidneys, but also give new life and energy all over the body. They do this naturally. They cure the kidney. Cured kidneys strain all the impurities out of the blood, and the pure blood carries nutriment instead of poison to all the nerves and muscles. You have never heard of a person Dodd's Kidney Pills harmed. You hear of thousands who have benefited by them.

Miss Harkins.

Deep sympathy will be felt by their many friends here for Mr. and Mrs. W. S. Harkins in the loss of their daughter, Miss Lilla, who died on Monday night, Jan. 27, at the residence of her cousin, who is wife of Rev. W. J. Cox, in Philadelphia. Mr. A. Mandes yesterday received from Mr. Harkins word of the death of the latter's daughter, and today came the word of her death. Miss Harkins, who was about twenty-five years of age, underwent a very serious operation a little more than a year ago, and before

she had fully recovered she entered Red Cross work. The strain proved too much for her and she was ordered by her physician to take a long rest. About a fortnight ago she went to Philadelphia to visit her cousin and while she was there the whole family was stricken with influenza, which she also contracted, the attack resulting in her death. Her mother is recovering from a serious illness, and her father reached her bedside a few hours before the end came. Funeral services were held in Philadelphia, and the body was taken to New York, where it was laid to rest in the family lot in Woodlawn cemetery. Besides her deeply sorrowing parents, Miss Harkins is survived by one brother.

Mrs. Margaret Craft.

The death of Margaret, wife of George W. Craft, occurred yesterday at her residence, Millisville, after a lingering illness. Besides her husband deceased leaves to mourn six sons and one daughter, the sons are George W. Jr., Frank H., William E., I. Sharpe, Whitney O. and Lorne R. Mrs. James W. Stackhouse is the daughter, all of this city. The funeral will be held tomorrow afternoon at 2:30 o'clock, coaches leaving Scott's Corner at two o'clock.

Mrs. Myrtle Paquin.

Bath, Jan. 30.—On Sunday, Jan. 26, a sad message came to Bath, and particularly to Mr. and Mrs. James Jones and family, when it was learned that Myrtle, their youngest daughter, now Mrs. Frank Paquin of Haverhill, Mass., had fallen a victim to the fatal flu. The deceased, besides a sorrowing husband, for whom deepest sympathy is felt, leaves to mourn her father and mother, two brothers, Wendell, now in England, and Turney at home, and two sisters, Mrs. Chas. Inman of Kilmora, and Mrs. (Rev.) J. Lloyd Hughes of Alberta.

Mrs. Paquin was a member of the Bath United Baptist church and bore an unswerving Christian character. The funeral service, which was held in Bath on Tuesday, the 28th, will long be remembered by all who were privileged to be present. One of the special features was the many beautiful floral tributes, that came along with the remains from Haverhill. These spoke loudly of the large place she had in the hearts of her adopted city. The Haverhill Baptist church sent a handsome wreath. The funeral sermon was preached by the pastor, Rev. C. C. Howlett, B.A., B.D., Rev. G. A. Gibson assisted. A well selected choir rendered appropriate music, and the remains were reverently laid to rest in the town cemetery. The large gathering evidenced the high esteem in which the deceased was held, and also the hearty sympathy extended to the Mr. Paquin and the James Jones family in this sore bereavement.

The text was Job 1:21 "The Lord giveth and the Lord taketh away; blessed be the name of the Lord."

Mrs. E. F. Shaw.

Bath, Jan. 30.—On Tuesday, January 21, the mortal remains of Mrs. E. F. Shaw, of Bath, were quietly laid to rest in the town cemetery. In connection with the interment a short service was held at the house, subsequently burial, then a large number of relatives and friends repaired to the United Baptist church, where the funeral service was held. The deceased, Mrs. E. F. Shaw, was a devoted wife and mother, and a highly respected member of the church. The funeral service was held at the house, subsequently burial, then a large number of relatives and friends repaired to the United Baptist church, where the funeral service was held. The deceased, Mrs. E. F. Shaw, was a devoted wife and mother, and a highly respected member of the church.

The death of the above, known as Aunt Ester Lovely Shaw, though not unexpected, for her illness had been long and tedious, borne with the greatest Christian fortitude, was nevertheless, a severe shock to an exceptionally large acquaintance. She was universally loved and respected for her intelligent, cheerful and unselfish Christian character. For many years her beautiful voice elevated the tone of many a Christian gathering. Besides this she was a devoted wife and housekeeper.

Several of her friends from Perth and elsewhere were present at her funeral and before leaving the church a vote of sympathy was moved to be forwarded to relatives of the deceased who reside in Stockton, California. All at the funeral were one and the same in their expressions of sympathy to Mr. E. F. Shaw, J. P., in this his sore bereavement.

RED CROSS BADGES ARE RECEIVED

Meeting of Provincial Red Cross Held Yesterday—Reports Show Much Good Work Accomplished.

Henceforth the official Red Cross visitor will proudly wear a very beautiful badge when carrying out her duties at the hospital. At the meeting of the Provincial Red Cross committee held yesterday morning a number of these badges were distributed by the secretary with the printed instructions which have come from headquarters. The badges are of a circular form in red and white enamel, the outside circle bearing the words Canadian Red Cross Society. In the centre, on a white ground, is a simple red cross, the red cross of the society. They are among the handsomest badges seen.

Visitors have to sign a pledge that they will do their best to discharge their duties for the benefit of those patients who they have undertaken to serve in accordance with the instructions issued by the Canadian Red Cross Society, and in relinquishing their office will return the visitor's badge.

The instructions point out that all hospital visiting and service is subject to the consent of the O. C., and that care should be exercised to prevent Red Cross work interfering with the duties of the staff. Visitors are asked to be a friend of the patient and be ready to perform services for him such as correspondence, small purchases, to note his requests and see that the articles approved reach him, to fill out indent forms as to home address and other particulars, and to visit patients once a week.

At yesterday's meeting it was decided to equip the recreation room at the Military Hospital on Lancaster Heights. Mrs. L. P. Tilley reported on satisfactory visiting and supplying for hospitals in M. D. No. 7.

A report was read of the Imperial soldiers and sailors visited and thanks were given for eight sweaters, donated by the American Consul H. Culver, and cigarettes from Messrs. Jones & Schofield. Eighteen patients from the Scandinavian had also been visited on their recovery, and had been most hospitably entertained at the home of Mrs. J. V. Ellis.

The hospital committee was advised by H. Milburn that more apples will be available shortly. A report was read by Miss Elsie Clements, telling in detail of supplies sent to the Immigration Hospital, the St. James street, East St. John and River Glade. Thanks were received from River Glade for 200 pairs of socks and 43 pairs of pyjamas. The Newcastle branch of the Red Cross sent \$50 for River Glade.

It was reported that the Woodstock branch had sent \$20 for the Military Hospital at Fredericton.

The committee appointed to see about the furnishing of the recreation room at Lancaster Heights Hospital, was as follows: Mrs. Anglin, Mrs. E. R. Taylor, Mrs. L. P. D. Tilley, Mrs. J. Doody, Mrs. Edith Egan, Mrs. Ernest Harbours and Mrs. Frank R. Fairweather.

boys proceeded to the assembly room, where a social entertainment of songs and addresses were carried out under the direction of Gerald O'Neill, chairman of the boys' committee. In his address to the boys he mentioned that on next Friday evening a musical entertainment was being held in the rooms for the junior members, and requested all to be present and bring along their friends. He also informed the lads of a sleighing party to be held for junior members in the near future.

Other speakers were Professor Taylor and F. J. Hogan, of Montreal. Refreshments were served during the evening by the ladies of St. Vincent de Paul Society, and through the kindness of Michael Bohan and his friends, apples were furnished the lads, which made up a splendid social menu. The entertainment closed with the singing of the National Anthem.

BEAUTIFUL HAIR THICK, WAVY, FREE FROM DANDRUFF

Draw a moist cloth through hair and double its beauty at once.

Save your hair! Dandruff disappears and hair stops coming out.

Immediate?—Yes. Certain?—That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after an application of Danderine. Also try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, and what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—growing over the scalp.

Danderine is to the hair what fresh sowers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful. You can surely have pretty, charming lustrous hair, and lots of it, if you will spend a few cents for a bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

Mr. and Mrs. F. W. Daniel left last evening for a visit to New York and other American cities.
