HARRY WILSON

Rich Gold Hill Miner Commits Suicide in South Omaha.

IDENTITY NOT FULLY ESTABLISHED

One Wealthy Wilson left in September With a Broken Heart.

FIRE IN CITY OF DESTINY.

Duke of Manchester Weds for Love—Calderhead Reaches Skagway—Mysterious Disappearance.

Seattle, Nov. 20, via Skagway, Nov. 26.—H. R. Wilson committed suicide at So. Omaha on the 16th and his identity was established by the police here. Papers, drafts and other effects found on his person indicated that he was from Seattle, but the police found he belonged in Juneau and owns property on Gold Hill in the Klondike. He arrived in Seattle from Dawson Sept. 29, and deposited \$10,000 in a local bank and had certificates of deposit for that amount in his pockets when he killed himself. No cause is assigned for Wilson's rash act.

Investigation here today failed to fully establish the identity of the Wilson above mentioned. One Harry Wilson came here from Juneau and married Sadie O'Hara, but it is not known that he ever mined on Gold Hill or had any \$10,000 to deposit in a bank. One man who knew him well said that Wilson has not been here for over a year.

Another Wilson, a Swede, left here for the outside in September and took with him a large amount of gold. He is said to have left here heart broken because "Babe" Wallace would not marry him. A call at "Babe's" house this afternoon failed to elicit any information as that lady was enjoying her beauty sleep and the landlady would not have it disturbed. People who knew the two Wilsons, incline to the

belief that the latter is the one who killed himself, although it is not known here that his name was Harry.)

Fire at Tacoma.
 Tacoma, Nov. 20, via Skagway, Nov. 26.—Fire on the dock near Fifteenth street last night destroyed property to the value of \$30,000, including the Thewald Company, asbestos factory, S. D. Brear, steam boilers, Port Addison planning mill and the offices of the Young Lumber Company.

Cabinet to Stay.
 Washington, Nov. 20, via Skagway, Nov. 26.—President McKinley has personally requested all his cabinet to arrange to remain during his next term.

Married For Love.
 London, Nov. 20, via Skagway, Nov. 26.—The Duke of Manchester has married Helene Zimmerman, daughter of Eugene Zimmerman, the Cincinnati millionaire. The duke wishes it to be known that he seeks no dowry, but married only for love. The dowager duchess is very much displeased over what she considers her sons' misalliance.

Skagway News.
 Skagway, Nov. 26.—R. W. Calderhead reached here Saturday after a hard trip. He says the trail is good to Selkirk, but hard from there to Lebarge. The Tasmanian is still plying on the lake.

News comes from Vancouver that the Seattle's passengers were released from quarantine on the 16th.

Seattle papers assert that the hotels are full of people who are awaiting news that the river trail is in good condition before starting for Dawson.

C. B. Harraden, of the Ross Higgins Co., went aboard the Topeka Saturday night to say goodbye to friends and has not since been seen. He was to have left with his family on the Dolphin for Seattle yesterday. He was either accidentally carried away on the Topeka or slipped unnoticed from the gang plank into the bay and was drowned.

Public Schools

The meeting of the Yukon council last Saturday afternoon was devoted almost wholly to the site for the proposed new public school building, and to a general discussion of the subject. A letter was laid before the meeting by Commissioner Ogilvie who had received it from the manager of the townsite company giving a price on various properties centrally located and after going over the properties and prices submitted, it was decided to secure lots 12, 13, 14, 15, 16 and 17 in block T of the Harper and Ladue townsite, which were quoted at \$700 each, and the commissioner was instructed to ascertain what price would have to be paid to secure lot 11.

The commissioner was further asked to furnish estimates of the cost of erecting a public school building on the site agreed upon.

Concerning temporary quarters for the school, it was learned that McDonald hall could be had for \$175 per month and Pioneer hall for \$100. The Salvation Army offered a building allowing the council to fix the rent. Finally the whole matter was left to the commissioner to decide, and the appointment of an extra teacher was laid over till next meeting.

The site decided upon is on the west side of Fifth avenue, between First and Second streets.

The Manly Art.
 On Saturday night last an exhibition of the manly art was given at Prof. Anperson's gymnasium which attracted considerable interest among the sporting fraternity, as the tip was given out that a lively time could be expected. A ten-round go between Harry Agee and Young Brooks was the drawing card, both men agreeing to stay in the

ring until too tired to take any further interest in the proceedings. Agee was seconded by Jack Merrit and his brother Roy Agee. Brooks by Carroll and Caribou.

Prior to the opening of hostilities between the gents with the mitts the decision was given to Agee by the sports, who declared him an easy winner on form alone. While subsequent events corroborated their opinion in a measure, Agee pouncing his opponent all over the ring, still a chance came in the way of the white man, and a blow in the wind delivered in a frenzy by the rattled youth brought the colored boy to the floor when he was counted out.

The go lasted not quite three rounds. No admission was charged to see the go, it being a members meeting. A purse of \$100 was collected at the ring side for the men, the winner, Brooks, getting \$75 and Agee \$25.

Eddie O'Donnell acted as referee and W. H. B. Lyons timekeeper. Leroy Tozier was master of ceremonies, and by the magnetic charm of his voice chased many a hidden dollar from the pockets of the onlookers. An amusing preliminary was given by Smith and Lamb.

The Automobiles Are Coming.
 The teams of Sonnikson & Henry arrived last night from Stewart river loaded with fresh halibut and merchandies for Swan & Anderson. The firm are sending teams about Wednesday Nov. 26, to Fort Selkirk for the automobiles for A. E. Clear. If you have any business between here and Hellsgate you had better call on Sonnikson & Henry at once. They will take freight both ways, take passengers and do anything in this line for the public on the trip. Office Boyles' wharf. c28

The Weather.
 For the 24 hours previous to 9 o'clock this morning the minimum temperature was 24.5, the maximum temperature 5 degrees below zero.

Concert Tomorrow Night.
 The concert to be given tomorrow night at McDonald hall in aid of St. Paul's church will be one of the best ever given in Dawson, for the reason that all the best talent in the city has been engaged to appear on this occasion, and a rare evening's entertainment will be afforded to all who are so fortunate as to be present. Tickets are on sale at Reid's drug store.

Post Office Will Move

As soon as the mail which is expected to arrive tomorrow can be disposed of the office and its contents will be removed to its new and more commodious home in the new government building recently completed at the corner of Third avenue and Third street.

The moving will probably take place next Saturday, and if the distribution of mail ceases for a day the interruption to business will be no longer.

No Mail Reported.
 At 11 o'clock this forenoon the mail which passed Selwyn at noon on Friday had not been reported as having reached Stewart, which precludes the possibility of its arriving in Dawson before tomorrow evening at the earliest.

Best of Excuses.
 A teacher in a certain school recently received the following note from the mother of a boy who had been absent for a day or two: "Dere Mam—please excuse Willy. He didn't hav but one pair of trowsers, an I kep him home to wash and mend them, and Mrs. O'toole's cow come and et them up off the line, and that awt to be excuse enuff, goodness nose. Yours with respect—Mrs. B."—Tit-Bits.

THE WORK RESUMED

Anglo-American Commission Again Getting Down to Business.

ALVERSTONE SUCCEEDS HERSCHELL

Modus Vivendi Regarding Boundary Line May Stand.

MANY MATTERS TO CONSIDER

Czar Was Poisoned Instead of Having Typhoid—Roseberry Leads Liberals—Welcomes Soldiers.

Washington, Nov. 20, via Skagway, Nov. 26.—Steps are being taken looking to the resumption of the important work of the Anglo-American commission, which was interrupted by the death of Lord Herschell, who has been succeeded on the board by Lord Alverstone, formerly Sir Richard Webster, whose associates on the board are Sir Wilfrid Laurier, Sir Louis Davis, minister of marine and fisheries, and the premier of Newfoundland.

America's representatives on the commission are Senator Fairbanks, chairman, John W. Foster, the reciprocity commission, John A. Kasson, Ex-Senator Falkner, T. Jefferson Coolidge and Sereno Payne.

It is believed as regards the boundary line between the United States and Canada that the present modus vivendi will be allowed to stand. Among other things discussed will be the matter of reciprocal mining privileges in the Klondike and other parts of British North America where reciprocal regulations relative to the bonding system, international railroads and such like will benefit and aid international commercial relations. Considerable progress has already been made as to the settlement of these latter questions, and it is possible that they will be satisfactorily adjusted and that action on the boundary question will be omitted.

Poison for the Czar.
 St. Petersburg, Nov. 20, via Skagway, Nov. 26.—The czar is not suffering from typhoid, but has been poisoned. There are hopes of his recovery.

Rosebury Leads Liberals.
 London, Nov. 20, via Skagway, Nov. 26.—Roseberry has been called to be the leader of the Liberal party.

Welcome to Soldiers.
 Victoria, Nov. 20, via Skagway, Nov. 26.—The soldiers just returned from South Africa were given the most rousing welcome known in the history of British Columbia.
