## ABOUT THE CONVENTION!

---

*⚠* Don't fail to read the announcement of the coming Convention at Tilsonburg.

*⚠* Don't fail to pray for the Holiness Convention at Tilsonburg.

*⚠* Don't fail to send for a railroad certificate, if there is the slightest probability of your attending the Holiness Convention.

*⚠* Be sure and bring up the subject of the coming Convention in the Holiness Meeting you attend.

*⚠* Be sure to have a representative from your Holiness Meeting, if you have to take up a collection to pay his or her expenses.

*⚠* If you have the burden on your heart of a Holiness Meeting which ought to be established in your neighborhood, pray with great importunity that the way may be opened for your attendance at the Tilsonburg Convention.

*⚠* Follow the convictions that come to you when at the mercy-seat in making your arrangements concerning attending or not attending the Convention.

*⚠* If God puts it in your heart to pay the expenses of another, who cannot attend otherwise, obey God rather than man, for there is a blessing in the act for you.

*⚠* If you cannot go yourself canvass the possibility of sending a substitute.

*⚠* What about fasting with prayer for the coming Convention? Answer: Obey the slightest intimations of the Holy Spirit in this and all other matters, for prompt, loving obedience secures all possible blessings.
