THE PHILOSOPHY OF OBJECTIVISM

BY **DR. LEONARD PEIKOFF**

author of **THE OMINOUS PARALLELS**
 and lecturer on **OBJECTIVISM**

the philosophy of **AYN RAND**
 (THE FOUNTAINHEAD • ATLAS SHRUGGED)

This course offers a systematic exposition — from metaphysics through esthetics — of the philosophy of Ayn Rand. The course presents the essential principles of Objectivism, their validation, their interpretations — and their practical meaning in today's world. Emphasis is given to the fundamental concepts which shape Objectivism's approach to philosophic questions, and which integrate its distinctive answers.

"Dr. Peikoff's course," states Ayn Rand, "is the only authorized presentation of the entire theoretical structure of Objectivism, i.e., the only one that I know of my own knowledge to be fully accurate." (The Ayn Rand Letter, January-February, 1976)

NOTE: Ayn Rand takes part in the question-and-answer periods of lectures number 5 through number 12 of this series.
