

attribution. They ~~for~~ ^{for} their nature & make her
their servant. The old obstacles to develop
are to a large extent ~~set~~ ^{set} aside. So
there is a growing importance in
human side, what a man thinks, feels,
desires etc. These elements become more
& more important as world deals, the
more further you go the more
man comes to the front. He masters
his circumstances

Man are not the mere creature
of physical nature, but human element
of importance. — see opportunities
opened up with opening of new world
to Spain, Holland, which it, yet it
was only after opportunities thrown
away for a time, & failed, that best
adv. taken. Opportunities in them-
selves do not bring about progress
you need the right persons etc. so you
can develop the best of the world in
terms of physical nature. The strength
