PERSONAL

Ottawa, August 5, 1924.

Dear Mr. Sasseville:

I have today dispatched a letter to your partner Mr. Paul E. Gagnon urging him in the strongest terms to permit his name to go before the impending Conservative Convention as a candidate for the riding of Rimouski. You are his partner, and, as well, enjoy the confidence of the people of Rimouski and district. I am not unaware of the sacrifice which would be entailed, temporarily at least, and, therefore, I am writing to ask that you will join with me in pressing upon Mr. Gagnon his duty to accept. The importance of a good result in Rimouski is very great indeed. Now is the time for leading men to step out and give the word of command and I do sincerely trust you will encourage Mr. Gagnon to undertake the task he is so splendidly capable of discharging.

Yours very truly,

Mr. Elzear Sasseville,
Avocat
Rimouski, P.Q.
