| Pay Patients. ....            | 1649 75                              | 1461 30                              | 188 45    | .....      |
| Municipal Grants.....         | 1650 00                              | 1555 00                              | 95 00     | .....      |
| Legislative Grant.....        | 4076 56                              | 4095 29                              | .....     | 18 73      |
| From other Sources.....       | 38 05                                | 400 00                               | .....     | 361 00     |
| Total Income from all sources | \$11398 17                           | \$11736 54                           | \$764 77  | \$1,103 14 |

The total number of patients received and treated in the Hospital during the year was 384, and the number of outdoor patients, 180, as against 354 and 134 respectively, last year.

The number of days spent in the Hospital was 19,210, showing the average cost of each patient per day to be 46 cents.

The Building debt is now reduced to the instalments of \$720.25 each, payable 1st July next, and 1st January, 1886.

The amount expended for supplies of meat, bread, milk, vegetables, groceries, drugs, etc., during the year was \$8,843.36, and for the previous year, \$7,656.06.

The Income has not been for this year as large as usual, but owing to the reduction of Building debt the Board has been able to meet the demands made for monthly supplies.

The Medical staff have discharged their important duties with the same skill and faithfulness as heretofore, the directors hereby beg to tender them their sincere thanks.
