 Over 24,000 Pleased Kelsey Users.**

The past exceptionally cold winter has clearly demonstrated that the "Kelsey" will do all, and MORE, than has been claimed for it. Read the following:

St. Paul's Presbyterian Church, Sarnia, Ont., April 22nd, 1901.
 The James Smart Mfg. Co., Brockville, Ont.

Gen'l. Manager:—We have had installed in our new Church two of your Kelsey warm air Generators, and though last winter was so extremely cold we were able the coldest day to keep the Church and School-room as warm as we wished. The fuel used was very much less in proportion than we used to use with the old furnace. The quality of air was very pure, and we had not any evidence of the escape of gas or dust, there was comparatively no heat radiated in the basement and there seemed very little escaping by the way of the smokepipes. We consider the Kelsey Warm Air Generator very efficient, economical and in every way satisfactory.
 Yours sincerely,
 Rev. John R. Hall, M. A., Pastor.
