## Good Butter

Windsor Salt makes good butter because it dissolves easily and quickly, and, too, because the butter receives the full goodness of each flake of the Salt and the delicate flavor of pure Salt.

## Both Theory and Practice

Prove the Superiority of the U. S. Cream Separator

**In Theory**, its one piece frame, enclosed gears running in oil, few parts, three - separators - in - one bowl, and superior construction in general make it the

Cleanest skimming, most substantial, safest, easiest operated, and most durable Separator made.

**In Practice**, it is daily proving the correctness of our theory, as testified to by pleased users everywhere. If interested, write for

catalogues containing hundreds of letters to this effect.

Made in all sizes for either the Dairy or the Creamery.

JUBILEE

**A** DURABLE mower having a long pitman. Can be put out of gear by the lift lever quicker than you could say "Jack Robinson." The cutter can be raised into perpendicular position without driver getting off the seat and it goes automatically out of gear when being so raised and goes into gear again automatically when lowered to its work. The best mower on earth—is not too much to say.
