

Miller Choir Gowns

ADD to the attractiveness, dignity and power of any choir and are a great help to the whole church—pastor, congregation and choir.

Miller Gowns are distinctly different to any other. They combine a beautiful simplicity and attractiveness of design with the most practical usefulness and wear.

Even the illustration shows the great superiority in the attractiveness and beauty of our gowns. This superiority is more pronounced in the actual gown itself which is the reason why Miller Gowns are used by most of the large churches—everywhere, and should be used in YOUR church.

Miller Gowns are priced at from \$4.00 to \$7.00, and each Gown is sold with a positive guarantee of complete satisfaction and service. Catalogue and full information gladly sent upon request to—
