

You are to be the Judge

A BARREL

of Vitæ-Ore is not necessary to convince you that it is the best remedy in, on, or out of the earth for ailing people, to prove to you positively that it will cure your ills, as it has the ills of so many others. One ounce of the Ore (one package) mixed with a quart of water, one month's treatment, is all that you need for the test, all the evidence we want to submit, and we want to send it to you at our risk. You are to be the Judge! One month's treatment with this natural remedy will do for you what six months' use of other advertisement treatments cannot. If it does not, you to decide, we want nothing from you!

Read our Special Offer

We will lend to every subscriber or reader of *The Farming World*, or worthy person recommended by a subscriber, a full-sized One Dollar package of VITÆ-ORE, by mail, post-paid, sufficient for one month's treatment, to be paid for within one month a time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs or dopes of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand we ask our pay only when it has done you good and not before. We take all the risk, you have nothing to lose. If it does not benefit you, you pay us nothing. Vitæ-Ore is a natural, hard, adamantite, rock-like substance—mineral—Ore—mined from the ground like gold and silver, and requires about twenty years of oxidation. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water drunk fresh at the springs. It is a geological discovery to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney, and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility, as thousands testify, and as no one, answering this, writing for a package, will deny after using. Vitæ-Ore has cured more chronic, obstinate, pronounced-incurable cases than any other known medicine, and will reach such cases with a more rapid, powerful curative action than any medicine, combination of medicines, or doctor's prescription which it is possible to procure.

Vitæ-Ore will do the same for you as it has for hundreds of readers of this paper if you will give it a trial. Send for a \$1.00 package at our risk. You have nothing to lose but the stamp to answer this announcement. If the medicine does not benefit you, write us so and there is no harm done. We want no one's money whom Vitæ-Ore cannot benefit. Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try Vitæ-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases, two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just what we agree. Write to-day for a package at our risk and expense, giving your age and ailments, and mention this paper, so we may know that you are entitled to this liberal offer.

Was a Cripple from Rheumatism—Believed it Incurable

Markham, Ont.

In the spring of 1901 I was attacked with rheumatism in my hips and legs so badly I could not walk or get up from the chair. It came so suddenly. The doctor attended me for four months, with the result that the rheumatism moved from the hips and legs to the feet, still making it impossible for me to get around. I tried another doctor for three months without a change. Then I used an electric belt, but it did me no good. I was discouraged, thinking my trouble incurable, when I saw Vitæ-Ore advertised. I sent for a package, used it and one other, and am now entirely cured.

FEELS LIKE A NEW PERSON

Stomach Trouble Four Years—Could Not Eat—Had No Energy.

Hook Dale Farm, Ste. Martine, Que. I had Stomach Trouble for years and it made me so miserable at times that I could not do an ordinary day's work without lying down for a rest during the day. I had no energy and could not eat without a great deal of suffering, and even then in a great many cases I could not keep food in my stomach. I tried doctor's medicine without getting relief and then made up my mind to give Vitæ-Ore a trial. I ordered a package, which I took according to directions for one month, and now I can eat a hearty meal and exercise like a new person, and I will always recommend Vitæ-Ore to everyone afflicted as I was.
