G. W. CLEMONS, Secretary.

The auction sale of cattle and household furniture at the home of Mrs. Barnes in

Forest on June 6th, was a great success. The well known auctioneers, J. A. Govenlock of Forest, handled the hammer and the sale realized one-third more than the owner of the goods had anticipated. Grade cows brought as high as \$65 each.  
 One new feature of the sale was that just before Mr. Govenlock put the organ up for sale, he called upon Mrs. Matchett to play and while she played, he sang one of his bright cheerful songs. No doubt this added to the price received for the organ for Mr. Govenlock is one of the best singers and speakers in the province.

**Big Fortunes are Being Made Every Day in Minnesota Iron Lands**

Yes. Not only big fortunes but little ones. The smaller people are getting "a show" at the great profits. Farmers, merchants, and others who have money in the iron-bearing lands in Crow Wing County, Minnesota, are getting profits in cash that exceed their fondest hopes. These iron-bearing lands are money-makers for those who take out ore. They are situated in the Cuyuna Iron Range which lies along the Northern Pacific Railroad between Deerwood and Brainerd.

**End of Ore in Some Old Sections**

Although \$1,500,000 in dividends were distributed this year to the stockholders of only one company in Northern Minnesota, still the indications are that the iron ore in older sections is getting scarcer and scarcer every year. New mines will have to be opened in greater numbers than before in other sections. This then is your opportunity. Many consider it the chance of a lifetime.

We control a quantity of iron-bearing land in Township 46, Range 23, Crow Wing County, Minnesota. It is but 34 miles from Deerwood, a town on the Northern Pacific Railroad, which connects Duluth with Brainerd.

**A Rich Strike Nearby**

A short distance North of this property a prominent ore company has sunk a shaft and it is now mining. In every direction drills have disclosed valuable finds of iron ore. Within 80 rods of this land drills have blocked out forty millions tons of iron ore. The above ore company referred to has offered to supply us with money and take half of the profits. We prefer, however, to develop it ourselves and divide the profits among those who invest with us in this valuable land.

**A SAFE INVESTMENT FOR THE SMALL INVESTOR**

**Selling Prices of Land Near**

To give an idea of the remarkable rise in values and to show what the residents in the immediate vicinity think of this section we give the following facts regarding sales of land. Forty acres at Brainerd sold for \$5000.00 cash. This was an undeveloped portion of land—not a drill had been used on it. Mr. A. L. Hoffman a year or two back traded one hundred acres for a stock of groceries valued at \$300.00. This same property sold for \$5000.00 cash. Mr. Hoffman got into the deal, paying \$600.00 for a tenth interest and was delighted to secure the chance. Thus you can see, that property that

was worth but a \$300.00 a year or two back is now worth thirty times as much. Other pieces in forty acre lots sold for \$3000.00. Another for \$3250.00, and one 180 acre piece sold for \$3000.00. A few months before this any of these lands could have been purchased for \$15.00 an acre. A widow lady living in Duluth and owning land in this vicinity was offered \$25,000 cash, a royalty of 20 per cent and \$30,000.00 cash as a bonus in case ore is found. This unexpected offer has delighted this woman beyond measure. Many others in the vicinity have had the same pleasant experience. Consequently we believe it will be an excellent opportunity for you to receive good dividends on your investment.

We are an organized corporation, capital \$150,000.00. The price per share is \$10.00 each. Our prospectus and other literature give full description of the property with pictures, guarantees, references, map, and everything that it is possible to put on paper which reflects an honest, straight-forward and reliable investment. Send for above prospectus quick, ask any question. We will give you an honest, straight-forward answer.
