Spraying Potatoes with the Spramotor 20 .. ACRES DAILY

Seems incredible that farmers should use old methods, when they can kill both Potato Blight and Bugs, in one operation. One man with a SPRAMOTOR can spray 20 acres in a day.

The SPRAMOTOR drives out a perfect mist spray, thoroughly covering the plants, and destroying every vestige of fungi and insect life. It's the only way to grow potatoes profitably, and will double the crops at a trifling cost.

Send your name, and we'll mail you free an 84 page Illustrated Treatise on Spraying, and full particulars of the SPRAMOTOR, which is saving the farmers of Canada thousands of dollars annually. It will spray other things too.

The Spramotor Co., London, Ont

Spraying with the SPRAMOTOR will entirely eradicate Mustard. Full particulars in our book on spraying.

NO SPAVINS

The worst possible Spavin can be cured in 45 minutes. Curbs, Splints and Ringbones just as quick. Not painful and never has failed. Detailed information about this new method sent free to horse owners.

Write to-day. Ask for Pamphlet No. 1.

FLEMING BROS., 58 Bay St., Toronto, Ont.
