UNITED STATES.

New York, December 7.—A fire in Bellevue Hospital last night caused great excitement. The fire occurred in a pavilion ten feet distant from the main building. The firemen extinguished the flames in half an hour. The police and firemen endeavored to save fifteen sick women and children, aged from twelve years to six weeks. All the women got out safely, but great difficulty was experienced in rescuing the children. Three infants were burned to death. The burned children were aged nine years, eighteen months and six weeks.

AUSTRIA.

Vienna, Dec. 5.—The Lower House of the Reichsrath has rejected a motion for a reduction of the standing army, and adopted the first clause of the Government Bill, fixing the strength of the army, on a war footing, at 800,000.

AFGHANISTAN.

Cabal, December 5.—The Governor of Maidan is reported killed by Afghan regulars and hillmen, and the Governors of Kohistan and Logar Calley reported threatened with the same fate probably are, Mahomed Hassen, Major Abdullah Khan and Shabaz Khan recently appointed Governors of Maidan, Logar and Kohistan. The regulars mentioned are probably part of the ex-Ameer's army.

CHILI AND PERU.

Buenos Ayres, December 3.—Intelligence has been received that the allied Peruvian and Bolivian have been completely defeated at Tarapaca, Peru, by Chileans, who have taken possession of the town. The losses were heavy on both sides. The Chilean squadron is blockading Arica.

GREAT BRITAIN.

London, Dec. 6.—During a recent heavy cyclone in the Bay of Bengal a storm wave swept over Monkishall Island, drowning several hundred persons.

Dublin, December 5.—Thomas Brennan, an employee of the Dublin City Bakery Company, leading land agitator, and a member of the Land League, was arrested and conveyed to Castlebar, charged with using seditious language at Balla, and with endeavouring to seduce the police from their allegiance.

Dublin, December 5.—The Court of Queen's Bench has granted the application of the Crown that the grand jury of Sligo found true bill against Davitt, Daily and Killen, accused of seditious indictments, they should be removed for trial to Dublin.

Dublin, December 5.—The expressions which caused the arrest of Brennan were to the effect that he adopted the words of Davitt, and the time for resolve and action had arrived. Brennan was informed of the issue of a warrant, but made no effort to avoid arrest. He was received enthusiastically by a large crowd on his arrival at Castlebar. Under escort of the police he was taken to the Court House and examined and the indictment was read over to him, after which he was remanded until Monday to allow time to secure the attendance of the shorthand writer who took down his remarks. Bail was refused. The prisoner is defended by Charles O'Malley.

Castlebar, December 7.—On the removal of Brennan to prison from the Court House, last night, great crowds with blazing tar barrels followed the car in which he was conveyed, cheering the prisoner and hooting the police. The crowd stopped the car, but it was well guarded, and no rescue was attempted. Subsequently the police, by order of the Magistrate, seized the tar-barrels, and the crowd dispersed precipitately. There is great excitement at Castlebar and neighborhood.

New York, December 7.—The Tribune's special cable says Hon. John Bright writes declining to urge the Government to adopt a great scheme of expenditure for the relief of the Irish, the results being uncertain, but he hopes that something may be done. If the landowners favor a drainage scheme he says there will be no difficulty in carrying a parliamentary measure to aid them. He considers that the whole land question requires handling by another Government, strong in Parliament and strongly sympathizing with Ireland. He recommends the Irish members to unite with the Liberal party, otherwise the future of both countries is doubtful.

London, December 7.—At a meeting of land agitators, numbering 6,000, near Castlebar to-day, the people in the procession were commanded by men carrying wooden swords. The proceedings were quiet.

Castlebar, December 8.—After his release on bail Brennan addressed a crowd from the window of the hotel. He announced that whatever he had said at Balla he was prepared to say again. The words were loudly cheered.

Castlebar, December 8.—Brennan the agitator was conducted to the court under a small escort and was cheered by a large crowd. French, council for the Crown, said the Government are endeavoring to save the tenant farmers of Ireland from a body of men the vast majority of whom are agitating purely for self aggrandizement and popularity. He gave the legal meaning of seditious, and read Brennan's speech to show it is within its definition.

Castlebar, December 8.—After the evidence of the shorthand writers and the police witnesses was concluded, Brennan was committed for trial and bail accepted.

Read this Twice.—Five to thirty drops of THOMAS' ELECTRIC OIL will cure common Sore Throat. It never fails in 10 days. It will cure a cough or cold in twenty-four to forty-eight hours. One bottle has cured Bronchitis of eight years standing; recent cases are cured in three to six days. It has restored the voice where the person had not spoken above a whisper in five years. As an outward application in all cases of pain or lameness, nothing like it has ever been known. One bottle will cure any case of Lame Back or Crick in the Back. For the cure of Rheumatism and contraction of the Muscles it is unequalled. In Rheumatism or other pain the first application does you good. It stops Eczema and the pain of a burn in three minutes, and is altogether the cheapest medicine ever offered to the people—the cheapest because it takes so little to do you good. It is composed of six of the best oils known, and nothing but oils. It is worth its weight in gold. Why not buy it to-

day 1—A. B. DES ROCHERS, assistant postmaster, Arthabaskaville, P. Q., writes:—"Thirteen years ago I was seized by a severe attack of Rheumatism in the head from which I have nearly constantly suffered. After having used 'Thomas' Electric Oil' for nine days, bathing the forehead, I have been completely cured, and have only used half a bottle. This I can verify under oath if you wish."—Rev. J. Mallory, of Wyoming, N. Y., writes:—"Dr. Thomas' Electric Oil cured me of Bronchitis in ONE WEEK." BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Electric Oil. See that the signature of S. N. Thomas is on the wrapper, and the names of Northrop & Lyman are blown in the bottle, and Take no other. Sold by all medicine dealers. Price 25 cts.
