MOTT'S BROMA. TENHE following observations having reference HOLLOWAY'S PILLS. to the preparation of BBOMA, appeared in a late number of the Boston Medical Journal :-

Broma spagnt the opinions of many medical genthenien of distinction, for the purpose of having an and or inshin food for invalids, and was assured To Professor Holloway, that he had fully succeeded. Hospitals, infirmares, and households generally, should always be tea and coffie.

We see it stated that during the morning.

(Signed) list sammer those individuals who were continually seeing Checolite or Broma neither had attacks of coulers or dysenteric officions, while others of Cure of Typhus Fever, when supposed to be at the the same families, taking their daily potations in tes, coilee, or simple co d water, were the sufferers, if say. We cannot vouch for the troth of this, but it has recalled to mind the statement that the oil dealers is Lundon have been free from cholera iver oil for chronic difficulties, during the preva-I'me of the late epid mic, were not aff cied by it Vegetable oil in the first instance, and animal nil in the last, taken internally, would appear, by them from the shifts of the pertilence. It is certainly a point well worth while to determine, whother the chocolate drinkers have been secure in ther infected dities."

MOTE'S BROWA has now been before the poblic for a considerable period, and along with and the neighbouries Provinces, it has received the appreheties of all classes of consumers. - It the demand for it is constantly increasing.
