

On St. Patrick's Day, amid every accompaniment of solemn stateliness and before a very large assembly, which not only completely filled, but crowded outside the building, the Most Rev. John Baptist Crozier,

D.D., was enthroned as Primate of All Ireland in the ancient Cathedral Church of Armagh. More than two hundred clergy from all over Ireland were present in their robes. The sermon was preached by His Grace the Archbishop of Dublin, Dr. Peacock, who took for his text St. Matt. 28:20. Dr. Crozier is the 111th successor of St. Patrick in the primate's See, who founded a cathedral at Armagh somewhere near the site of the present structure about 1,466 years ago. The line of succession has remained unbroken during the whole period of these fourteen and a half centuries. The Dean installed the new Primate, and at the conclusion of the service, whilst the Bishops, four of whom were present at the service besides the Archbishop of Dublin, and the cathedral clergy were in the robing-room, the Dean read an address of welcome to the new Primate, who made a suitable reply.

to the heart without a home, to the lives without a love, to the crowds without a compass, to the ranks without a refuge. Send me to the children whom none have blessed, to the famished whom none have fed, to the sick whom none have claimed, to the fallen whom none have lifted, to the leper whom none have touched, to the bereaved whom none have comforted. Then shall I have the birthright of the first-born; then shall I have the blessing of the mighty God of Jacob."

As vigorous health and its accompanying high spirits are larger elements of happiness than any other things whatever, the teaching how to maintain them is a teaching that yields to no other whatever.

experimenting, finally found a combination of drugs which completely cured him. The result was so beneficial to his entire system that he called his new found remedy "Gloria Tonic." Those of his friends, relatives and neighbors suffering from rheumatism were next cured and Mr. Smith concluded to offer his remedy to the world. But he found the task a difficult one as nearly everybody had tried a hundred or more remedies and they couldn't be made to believe that there was such a thing as a cure for rheumatism. But an old gentleman from Seguin, Texas, U.S.A., wrote him saying, if Mr. Smith would send him a sample he would try it, but as he had suffered over thirty years and wasted a fortune with doctors and advertised remedies, he wouldn't buy anything more until he knew it was worth something. The sample was sent, he purchased more, and the result was astonishing. He was completely cured. This gave Mr. Smith a new idea and ever since that time he has been sending out free sample boxes to all who apply.

At the U. C. College, Toronto, it cured Mrs. J. Whitley, who had suffered excruciatingly. Fred. K. McDonald writes from Sunny Brae, N.S., that "Gloria Tonic" has cured him of a case of rheumatism of many years' standing. From Ambrose M. Melanson, Meteghan River, Digby County, N.S., comes a letter that he has been cured of a severe case.

Even the first sample box cured Mrs. B. Brett, at 12 Powell St., Guelph, Ont. Two boxes left Mrs. Geo. Wright, of Coaticook, Que., well and happy.

Mrs. T. Deline, West Plain, Ont., writes that she could scarcely dress herself because of rheumatism, but that "Gloria Tonic" has completely cured her. Mr. George Lees, of Dundas, Ont., says that he tried many different remedies, but found no relief until he tried "Gloria Tonic," while Clarence A. Scott writes from Tooleton, N.B., that he feels that he owes his life to this great remedy.

A case of 13 years' suffering is reported by James McFarlan, of L'Amable, Ont., but "Gloria Tonic" cured it quickly. Even prominent physicians have to admit that "Gloria Tonic" is a positive success, among them Doctor Quintero of the University of Venezuela, to whom it was recommended by the United States Consul. In hundreds of other instances the result has been the same. It cured many cases which defied Hospitals, Drugs and Electricity, among them persons of upwards of eighty years of age.

Mr. Smith will send a trial box, also his illustrated book on rheumatism, absolutely free of charge to any reader of the "Canadian Churchman," for he is anxious that everybody should profit by his good fortune. Mr. Smith's address in full is:—

Every Possible Skin Eruption Cured In Marvelously Quick Time by the New Calcium Treatment.

Send For Free Sample Package To-day.

Boils have been cured in 3 days, and some of the worst cases of skin diseases have been cured in a week, by the wonderful action of Stuart's Calcium Wafers. These wafers contain as their main ingredient, the most thorough, quick and effective blood-cleanser known, calcium sulphide.

Most treatments for the blood and for skin eruptions are miserably slow in their results, and besides, many of them are poisonous. Stuart's Calcium Wafers contain no poison or drug of any kind; they are absolutely harmless, and yet do work which cannot fail to surprise you. They are the most powerful blood purifier and skin clearer ever discovered, and they never derange the system.

No matter what you suffer from, pimples, blackheads, acne, red rash, spots, blotches, rash, tetter or any other skin eruption, you can get rid of them long before other treatments can even begin to show results.

Don't go around with a humiliating, disgusting mass of pimples and blackheads on your face. A face covered over with these disgusting things makes people turn away from you, and breeds failure in your life work. Stop it. Read what an Iowa man said when he woke up one morning and found he had a new face: "By George, I never saw anything like it. There I've been for three years trying to get rid of pimples and blackheads, and guess I used everything under the sun. I used your Calcium Wafers for just seven days. This morning every blessed pimple is gone and I can't find a blackhead. I could write you a volume of thanks, I am so grateful to you."

You can depend upon this treatment being a never-failing cure.

Just send us your name and address in full, to-day, and we will send you a trial package of Stuart's Calcium Wafers, free to test. #### THE WALK TO EMMAUS.

Toward the village of Emmaus,  
Linger on the dusty way,  
Two disciples walked in sadness  
From Jerusalem one day;  
They have seen their Master's body  
Taken from the shameful cross,  
And with tears of bitter sorrow  
Whisper of their hopeless loss:

While they fare, a Stranger joins  
Them,

Asks them why those gloomy looks;  
Cavvy's awful tale they tell Him.  
"Know ye not," says He, "the books

Of the ancient Jewish prophets  
Telling that these things must be,  
How the Christ awhile must suffer,  
Then shall gain the victory?"

Bidden to their lowly dwelling,  
Does He bless and break the bread:  
Then they know Him—know their  
Jesus

Is alive, who once was dead.  
Suddenly no more they see Him.  
But with Him has gone their  
gloom—

Back they run to spread the tidings:  
"He is risen from the tomb!"  
—W. L. R. Wurts.

#### HOW DO YOU PRAY?

Are we "enduring hardness as good soldiers of Jesus Christ?" Are we "going into the highways and hedges" after the poor, the despised, the neglected, and the fallen? The following remarkable prayer is to the point:

"Lord, give me Thy blessing of Jacob—his best blessing—his power to bless! . . . Make it impossible for me to stay at the top of the ladder, even though that be heaven. Send me down the golden stair, down to the limbs which are languid, down to the souls which are sad. Send me with a breath of Eden; send me with a flower of paradise; send me with a cluster of the grapes of Canaan. Send me to the hours which precede the daybreak, those darkest hours which come before dawn. Send me
