## The Wife Must Provide For the Widow

TO do so, it is necessary that out of her husband's income a certain percentage is deposited yearly in Life Insurance premiums. This is the only sure method of providing for to-morrow.

The margin between income and expenditure is not very large in the average home, owing to the high cost of living. This margin should be carefully invested so as to provide for future contingencies. *Man and his estate becomes a fact at death.* The amount of this estate largely depends on the wife because seven-eighths of all estates is comprised of Life Insurance.

Consult us as to how best to provide.

## A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustee of Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties while responsible, may not require the full time of a salaried official. There are many advantages in the employment of a Trust Company in such cases: it is permanent, experienced, and responsible; it has unusual facilities for supervision and audit and for the safe-guarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
