

provisions for the relief of shipwrecked persons, detached from the Light Houses. That the establishment on the Island of Scatari should consist of one Light House, with Revolving Lights, to distinguish it from others on the coast; with a Keeper's House, Warehouse and Cellars, similar to those recommended for Saint Paul—subject, however, to any improved mode of constructing such Lights, as the said Board of Commissioners may think fit to adopt.

*Fourth.*—As the proposed Light Houses will stand on exposed and prominent situations, and be approached by all Vessels entering the Saint Lawrence, they ought to be of substantial and improved construction, no correct judgment of the probable expense of erecting the Lights can be formed, without procuring Plans and Estimates, owing to the variety of materials which might be employed in the construction of the Buildings, and the numerous additions and improvements which it may be thought advisable to adopt—it is therefore recommended, that the whole duty of fixing upon the materials to be employed, and the plans to be adopted for the Lights, be left to the discretion of such persons as may be charged with the superintendence of their erection. That the establishment of Saint Paul's will require One Superintendent, and Six other persons under his direction, with Boats and a continued supply of Provisions, Clothing, Bedding, Fuel, &c. for the use and assistance of shipwrecked persons: and that the establishment at Scatari shall consist of One Superintendent and three other persons, with a Boat and a continued supply of Provisions, Clothing, Bedding, Fuel, &c. for the use and assistance of shipwrecked persons: that all the Lights shall be kept burning throughout the year.

As to the maintenance of the said Lights and humane establishments, it will be apportioned and borne as follows (that is to say)—

*First.*—New Brunswick shall pay to the Government of Nova Scotia, into the Treasury thereof, Two hundred and fifty Pounds, Halifax Currency, on the First day of July in each and every year after the said Light Houses and humane establishments shall be in operation, and as long as they continue to be so, in conformity with the provisions of this award.

*Second.*—Lower Canada shall pay to the Government of Nova Scotia, into the Treasury thereof, Five hundred Pounds, Halifax Currency, on the First day of July of the first year after the said Light Houses and humane establishments are in operation, and then at the same period in every year, as long as they shall continue to be so, a proportionate part of a sum, which, added to the unexpended balance (if any) remaining from the preceding year, (New Brunswick in this respect being considered as having contributed the same amount as Nova Scotia) as shall amount to a sum of One thousand and thirty Pounds Currency.

*Third.*—Prince Edward Island shall, in like manner, pay to the Government of Nova Scotia, into the Treasury thereof, Thirty Pounds, Halifax Currency, on the First day of July of the first year after the said Light Houses and humane establishments are in operation, and then at the same period in every year, as long as they continue to be so, a proportionate part of a sum, which, added to unexpended balance (if any) remaining from the preceding year, (New Brunswick being in this respect considered as having contributed the same amount as Nova Scotia) as shall amount to the said sum of One thousand and thirty Pounds Currency.

*Fourth.*—Nova Scotia shall itself contribute a sum of Two hundred and fifty Pounds, Halifax Currency, for the first year after the said Light Houses and humane establishments are in operation, and then for every year as long as they shall continue to be so, a proportionate part of a sum, which, added to the unexpended balance (if any) remaining from the preceding year, (New Brunswick being in this respect considered as having contributed the same amount as Nova Scotia) as shall amount to the said sum of One thousand and thirty Pounds Currency. And with the amount so contributed, the Government of Nova Scotia shall support, uphold and maintain the said Light Houses and humane establishments—it being well understood, that in case the said amount shall prove insufficient in any one year, the deficiency ought to be provided by the respective Legislatures of Lower Canada, Nova Scotia and Prince Edward Island, in such manner as shall appear to them most eligible, and in the same ratio as the contribution settled in this present Award.—But as to New Brunswick, the sum of Two hundred and fifty Pounds aforesaid, shall be a settled and permanent contribution, the overplus (if any) going to Nova Scotia, and the proportionate deficiency (if any) being borne altogether by the last mentioned Province of Nova Scotia, so as to have the expense and contribution for Nova Scotia and New Brunswick considered as altogether alike in amount with the aforesaid Provinces of Lower Canada and Prince Edward Island.
