MAY FIRST FOR GARBAGE COLLECTION

Board of Health Met — Civic Committees in Session.

The Board of Health met last evening, the following being present: Dr. H. A. Yeomans, Medical Officer of Health; Messrs. L. P. Herba A McNie and Stewart Robertson. The following accounts were passed:

Dr. Yeomans' rents $7.45
Smith Hardware 5.35
A. G. Vermilyea 4.79
Intell. 1.39
F. O Diamond 16.18

City Property Committee.

"That tenders be called for collection of garbage using five carts, said carts and harness to be supplied by the city, garbage to be collected not less than twice a week, collection to commence on May 1st, tenders to be in by Thursday, April 16th addressed to the chairman of market and city property."

Such was the recommendation made by the market and city property committee last evening at a conference with the Board of Health regarding garbage collection.

Front Street Sewer.

Ald. Platt Ald Panter and Ald. Duckworth were recommended as a committee to investigate the Front and Bridge St. sewers

The executive decided to advertise for a city engineer in the Globe, Mail and Empire, and 'The Engineer' the applications to be in by Monday, April 27th.

BELLEVILLE RIFLE ASSOCIATION

Usual practice last night with the following result. Next Friday being Good Friday, the usual practice will be held and also an important match will be shot for which Belleville's ten best rifle shots are matched against the Crack 23rd London, England, Regimental Rifle Club, and feel confident of success. A large number will be down to practice and visitors are also invited. Last night's scores with possible score 100 were:

R. Harman 97. J Deacon 97; W. Moore 97; W. S Andrews 97; J. Gilbey 96; H. Day 96; H. Weger 96; H. Day 95; A. J Stewart 94; G. Fille 94; A. O Harper 94; E Deslaurie 93; H. Holton 93; J. Thompson 92; H. McCaskie 92; H. Sn.yd 90; J. Evans 91; D. J. Carthew 91; D Parks 86; J Woodley 84; A P Allen 84; H A Bull 84; R. Grass 84

OBITUARY

MRS. ALBERT PARKS

A very sad death entered the home of Mr. Albert Parks and took away his beloved wife, Janie F. She had never been in robust health. But up to the time of her illness she had been able to attend to her household duties and regular meetings of the church of which she was a member. On the first day of March she contracted a severe cold which developed into pneumonia and on the 29th day of March she passed away. All that loving hands could do was done but God helped her and took her to dwell among the blest. Besides a sorrowing husband she leaves an only daughter, Keitha at home beside five step-children, Mrs H Ross, of Blessington, Mr Edwin Parks, of Hollaway; Mrs Bert Wheeler, of Belleville; Mrs. H. A. Wright; of Belleville, and Mrs. Fred Treverton, of Latta's Mills. Also a brother, Mr. Nelson Brintnell, of Corbyville, and two sisters, Mrs. Wilkinson, of Surina, and Mrs. A. Phillips, of the West, all who deeply mourn her loss. She will be deeply missed at home and abroad, as she was always jovial and ready to help in any undertaking in church work. She was a regular attendant at the W.M.S. and the W. I. The floral tributes were many and beautiful. A large wreath from the W.M.S., an anchor from the Women's Institute, a star from brother and sisters, a pillow from the husband and daughter and a wreath from the children. The funeral took place on March 31st, service at Plainfield Methodist Church conducted by the Rev. Mr. Ward thence to Victoria Cemetery and interred in the family plot.

A precious one from us has gone;
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled.

God in His wisdom has recalled
The boon His love has given;
And though the body moulders here
The soul is safe in Heaven.

The pallbearers were Mr. George Collins, Mr. T. Mills, Mr. Wesley Parks, Mr. Frank Hicks, Mr. VanAllen and Mr. E. Haynes.

Never forget the advice of Themistocles, Said that ancient, "I would bestow my daughter upon a man with out money, but not upon money with out a man." Just change money for title and see the different reading—"I would bestow my daughter upon a man without title, but not upon title without a man."

SUCCUMBED TO INJURIES

Charles W. Roberts Fell From Trenton Bridge in March.

After lingering for weeks, Charles Winfield Roberts, who fell from a bridge in Trenton last month and lay unconscious on the ice all night passed away last night in Belleville Hospital. Everything possible was done to alleviate his sufferings but without avail. He was a farmer by occupation, nearly 37 years of age, and was born in Murray township.

Relatives are expected from Trenton to take charge of the remains.

FINED FOR THEIR CONDUCT

Poolroom Fighting Must Stop—Young Men Plead Guilty.

Two young men who engaged in a quarrel in a poolroom on March 20th, were this morning on trial before Magistrate Masson on a charge of disorderly conduct. One who suffered more than the other was fined $10 and costs and the other $20 and costs or 30 days in jail in default of payment in thirty days. The magistrate said poolroom fighting must stop in the city and noted that there were cases where serious injury and even death had resulted from the use of a cue in the hands of an excited, violent or drunken player.

DR. CLINTON IN TRENTON

Trenton, April 7th—Mr. H. M Grills, of the Bellapco Securities Corporation was in town early this week. He reports Quinte Park lots going well.

Dr. Clinton's address was listened to yesterday afternoon and last evening by as many people as could be accommodated in the absolutely inadequate building provided. It is a pity that the citizens unable to secure a larger hall, were unaccustomed, as the pictures should have been seen by every adult in the community. It would have paid the Board of Health to have secured the opera house, even at the price asked for it in his remarks. Dr. Clinton stated that it was particularly important that the Trenton drinking water supply, should be protected from any possible contamination. He also dwelt upon the desirability, if we cared to have a healthy community, of cleaning up back yards, etc.

Mr. Simmonds, of the Niagara Brand Spray Company, is spending a couple of weeks at the factory on Front St., getting the fertilizer ready for spring operations.

Miss Carson of Toronto, is the guest of Mr. and Mrs. R. McGill Mowat.

The Trenton Garage delivered six newly purchased cars to their owners yesterday, and are making further deliveries today.

Mr. Paul Bruyea is building a new barn, in the rear of the Grand Union hotel, in East Trenton.

The Licence Commissioners met here yesterday, and made an inspection of places within a view of ascertaining the whether the regulations regarding fire escapes and ropes in bedrooms, were being observed. The hotel men of Trenton are a pretty sensible lot, and it is not probable that any neglect in this connection would occur.

The contractors for the dredging of the Trent river channel, above Glen Ross, passed through town today; a dredge suitable for the work is being built

It is refreshing to note that Mr. Robert Weddell is doing his share, in drawing the attention of the authorities to the bad condition of the streets and sidewalks, and we feel sure that Street Commissioner Weldorf, who is responsible for excellent work, so far, will keep up his reputation by giving the matter attention by Mr. Weddell, prompt attention.

Father Killeen of Belleville; Carson of Picton; O'Farrell, of Frankford and McFadden of Wooler, were in town yesterday and today, assisting Father Connelly with Easter duties Father Connelly will be in Kingston Wednesday and Thursday of this week, assisting with Easter duties.

The Molsons Bank has purchased from Capt. Currie, the corner property on Main Street, Frankford, formerly occupied by Bonter's general store, and will erect thereon, a handsome new office.

Cinema Curfew

Sir George Fisher Smith, chairman of the Halifax Licensing Bench, stated that new regulations had been framed in regard to premises to which cinematograph and music licenses were granted. A clause provides that no children under fourteen years of age will be allowed to enter into or upon the licensed premises after seven p.m. unaccompanied by parent or guardian. No child under the age of ten will be allowed to under any circumstances after nine p.m.

EXTRA!

BY PHONE THURSDAY, APRIL 9.

SERIOUS FIRE IN SIDNEY

Home of Mr. Manley Farley With all its Contents Destroyed by Fire.

A serious fire occurred at 10 o'clock last evening, Wednesday, when the house occupied by Mr. Manley Farley in the second concession of Sidney was totally destroyed, together with all its contents, Mr. Farley had just moved into the house, which is just across the road from the residence now occupied by Mr. W. W Sine. The origin of the fire is unknown Further particulars next week.

PRESENTED WITH TWIN COLTS

Mr. Milton Vandervoort, is the proud possessor of a new pair of twin colts They were born on Sunday last, and the twins are doing splendidly. It is needless to say that Mr. Vandervoort is very proud of them as twin colts are a very rare thing

MR. FLINT SAYS THAT MR. ALLEN SHOULD HAVE CONTRACT

Dear Sir,

I have addressed the following letter to the City Council.

To the City Council:

Gentlemen: The strong public sentiment of our constituents, that all the money of Belleville is, that Mr. Allen be entitled to have the contract as the newest tenderer, thus saving $8,000 of the citizens' money.

Should you, in the exercise of your judgment, decide otherwise, I beg to submit the following offer:-

Permit the city to construct the road under the specifications, inspection, etc., and under the management and control of Mr. Allen; and I will personally guarantee to the City of Belleville, that the city by so doing, will save nine thousand dollars, That is the work shall be done at a cost of nine thousand dollars less than the largest tender, in making this offer, I wish it to be distinctly understood, that I am in no way connected financially with Mr. Allen, nor will I derive one cent from any thing Mr. Allen may receive for his services. I cannot think, that you gentlemen, could deliberately accept the highest tender, and by so doing inflict such a terrible loss upon your fellow citizens. Mr. Allen has his reputation to sustain, and the work which he will do, will be of the best description, whether under the contract, or as an employee of the city. We have the cement, the sand, the gravel at our doors.

I am yours,
John J. B. Flint

THE BUILDING RECORD AHEAD

Quarter Just Closed Shows Increase For Belleville.

Belleville's building permit record for the first quarter of 1914 is ahead of that for January, February and March of 1913, so states Street Surveyor Henderson today. Strange is this increase in spite of the general feeling of scarcity of money, buildings of all kinds are going up in various parts of the city.

The permits taken out to date are:-
James Patrick, Mill Street, two storey frame dwelling at estimated cost of $1,000
E Sprague, Gordon St, frame house $1,000
W. H. Laffman, Charles St., two storey brick—$1500
W. H Laffman, Albert St., two storey frame—2,200
W. H Laffman, Foster Avenue, two storey frame—1,600
H. J. Carter, two storey frame bungalow—1,000
F. W. Woolworth, repairs, Front St
Ira Thompson, architect—5,000
David Wardle, two storey frame on Evans street—500
Edward Doyle, two storey house on Chatham St—1,200
J. S. Tower, two storey house, on North George—1,800
A McClachan, 21-2 storey brick, veneer, Queen St—2,500
George Lee, two storey frame, Cedar street—1,500
W. H. Laffman, two storey brick veneer, Charles St—2,500
W H Laffman, two storey solid

CLOTHING AGENT AND LOCAL TRADE

Policeman Had Measure Taken — Magistrate Reserves Judgment.

An interesting case was tried in the Belleville police court this morning which will throw some light on the rights of a representative canvassing or soliciting trade for outside firms. A certain young traveller or in the city taking orders for clothes Yesterday Sergt. Barman went to the tailor in plainclothes, saw the traveller and selected a sample of cloth out of which he desired a suit made His measure was taken and he tendered a signed check for $5 as deposit. No commission was made of delivery. Afterwards when giving the agent, the officer received his check back.

Magistrate Masson said that was the opinion of the whole matter. In this case the agent was selling by sample.

If the man would come back said Mr. Carnew with the clothes made up and delivered them himself, not being on the assessment roll, this would make him a transient and his action would be a breach of the transient traders' bylaw.

It was stated that delivery by express or post, did not constitute a breach; otherwise this would mean restriction of trade.

The clothing representative testified that he was a duly authorized agent of a firm manufacturing in Toronto. The magistrate said he understood the law as stated before but would reserve judgment for one week.

RELATIVES LIVE IN BELLEVILLE

Mrs. Charles Millard, of Vancouver, Who Was Murdered Last Week, Was Known Here.

It transpires that Mrs. Charles Millard of Vancouver, B.C. who was murdered last week, is a cousin, of Chester Boyd so well known in Belleville, being a relative of Mrs Geo Mather of Vancouver who is a niece-in-law of Dr. J. B. Mather, Fiunnacle street, Mrs Millard was also a niece of Mrs. S. Burrows of this city.

The report of the murder of Mrs. Millard, the subsequent finding of the body mutilated in a furnace, and the confession of Jack Wong, a Chinaman, aged about 19 years, appeared in Monday's issue.

The tragedy has given rise to a strong anti-Oriental movement in the western coast.

AROUND THE CITY

Mrs. Jane Jones.

Mrs. Jane Jones of Moira passed away this morning. She was 78 years of age.

Coat Was Stolen

Mr. Percy Snider, liveryman, reports to the police that a raincoat and small articles were stolen from his livery on Coleman street.

Police Court.

Samuel Lake from a local option district was in police court this morning taxed five dollars or twenty-one days if he fails to pay in fifteen days.

Writ to Attach Properties Served.

Sheriff Morrison returned yesterday from Madoc where he served a writ attaching the Dale, McReath, Macdchale and Caskey properties. The procedure was taken by Mr. Everton C. Tufts, Madoc, a depositor in Dale's private bank. Col. H. B Yeater of this city issued a writ the attaching order being made by Judge Fralick. Mr James A Caskey, one of the bank holders, was one who signed the affidavit in order to get the writ issued.

The "Woolworth Building"

The "Woolworth Building" will soon be a feature of Front Street, Belleville as well as its namesake on Broadway, New York. Already the premises formerly occupied by Mr. W. S. Clarke and Miss Campbell, is in the hands of the architect and will undergo extensive modifications. There will be a new front, elevators will be installed and an universe basement prepared.

Real Estate Sales

Mr. Arch Collins Real Estate Agent has just concluded a cash sale to Mr. George W. Kerr, brother of our assessor of Mrs H B Pearce house on the west side of George St. just opposite Mr Corby's. Mr Kerr is getting a very desirable home.

Mr. Collins also sold for Mr. James Bay his comfortable home "Arcadia" to Wm. Wilson, of Prince Edward County.

Corns cannot exist when Holloway's Corn Cure is applied to them, because it goes to the root and kills the growth.

SHORT SESSION COUNTY COURT

From Tuesday's Daily
All the cases entered for trial at the county court non-jury sittings before Judge Deroche today, were adjourned.

Bayres Carriage Co. of Hamilton vs A.A. Reid of Springbrook. This is an action to recover $150, amount alleged due on account of a carriage. W. D. M. Shorey for pltfs; O. G. Thresher for defendant. Adjourned to June court.

The following three cases were adjourned to dates to be fixed—Maidment vs Sheffield, F. S. Wellbridge for pltf.; Porte and Carnew for defendant.

Smith et al vs Fallen, A. Abbott for pltf.; Bigeow for deft.

Evans vs Dominion Express, Porte and Carnew for pltff; MacMurchy & Spence for deft.

This concluded the court's sitting

RURAL SCHOOL TEACHERS' MEETING

At the meetings of the Ontario Educational Association to be held in Toronto next week (April 14, 15, 16) special attention will be given to the problems of rural education. At last year's meetings two profitable sessions were held in this connection and this year the Public School Department for papers and discussions on how the country schools can help in meeting rural problems through the introduction of agricultural teaching and the general 'agriculturalizing' of rural school work. A report will be made also by the Director of Elementary Agricultural Education showing how the work has advanced throughout the province in 1913.

On the Wednesday morning there will be a joint session of the High School Science Teachers' Section and the Continuation School Section to discuss the Departmental plans for introducing agriculture into the regular work of the high and continuation schools, especially those attached to the smaller country towns and villages. A good commencement has been made in this direction, the schools at Arthur, Dresden, Madoc, Ridgeway, Tamkert Hall and Weston being engaged in the work.

At the Inspectors' Department both sessions on Wednesday are given over to rural school matters and in the High School Principals' Section the High School course in Agriculture will be discussed on Tuesday morning.

It will thus be seen that Ontario educationists are becoming alive to the need of extended education for country life and from such discussions much good may be expected. Country teachers and trustees attending the convention should make it a point to attend as many of the meetings as possible.

MISLEADING REPORT PUBLISHED IN EAST

The Ontario has been requested to publish the following article from The Vancouver News-Advertiser of March 20th.

"I came out to Vancouver to find a state of 'blue ruin' on the Coast and especially in this city, and I was very agreeably surprised to find business conditions in such a satisfactory position. For some time a portion of the Eastern press has been publishing stories to the effect that Vancouver was in a very bad shape, that one third of the stores were closed up and that an enormous amount of people were out of work, I heard this sort of talk as far west as Winnipeg.

The above statement was made to a representative of the News-Advertiser by Mr. Roger Miller, a prominent contractor of Ingersoll, Ont. who is at the Hotel Vancouver. Mr. Miller has a number of business interests made in this province, and the purpose of his trip was to inquire into the business outlook.

"It made it a point of counting the empty stores along Hastings and Granville streets," he continued, "and the number falls far short of the one-third quoted down east. I read before leaving home that there were a few thousand unoccupied houses in Vancouver, but they must be well scattered, I was told in Winnipeg that things, out west, need of wiring a head for a room in the Hotel Vancouver as there were dozens to be had at any time but I registered to find the hotel filled to its almost capacity

"It would be hard to find a bad cause for such reports unless it is that the east is still jealous of the tremendous development of the west East and west make up the Dominion and their prosperity is interlocked to a great extent. I believe I am within the mark in saying that with due regard to the difference in population Vancouver is quite as prosperous at the present time as is Toronto. If the local sidewalks are as narrow as those in Toronto, there should never to be just as big crowds on your busy streets as are on Yonge and King. I was also impressed with the prosperous appearance of the people seen here and with the attractive store windows.

Jet, steel, pearl and bronze beads are all seen in the beaded shoe buckles.

Taffeta, lace and embroidered linen are combined in the new lingerie frocks.

FIRST GAME OF SEASON

From Tuesday's Daily
Base ball is here again! Yesterday afternoon saw the first game, of the season in Belleville when the two forms of the High School, 1A and 1B collided in a fast although one-sided game.

The 1A's were the victors by five runs the score being six to one.

Ross pitched a good game for the 1A's while Meagher should watch himself a little more and not try any grand stand stunts while playing on first base Redner who pitched for the 1B's got a little nervous through out the game. The line-up was:

1A		1B
F. Ross	Catcher	E Brotherhood
	Pitcher	
W. Ross	1st Base	R Redner
C. Mott	2nd Base	A Meagher
W. Allore	3rd Base	A Wima
G. Cherry		E Wrightmeyer
C. McCuaig	Right Field	W Desbane
M. Brant		Holmes
P. O'Neil	Centre Field	D Donahue
R. Houston	Left Field	

The umpire "Piggy" Green handled the game to perfection.

VARUNA WILL RUN ON OLD ROUTE

A change has been made this year which will prove very satisfactory to the travelling public on the Western end of the bay route, but not satisfactory to the Eastern end of the route between Trenton and Picton - daily with Capt. Rathbun in command and Fred Jarrell in mate. On account of about 800 repairs, the Varuna, which will make her as good as new. Capt Rathbun will take command of the Str Aletha on the route until the Varuna is ready. It has not been decided as yet just what route the Brockville will take but in unmistakable airs she will run from Kingston to Belleville or Picton with Capt. Christie in charge. The arrangement it started out will not give the accommodation the Bay Island public and other marketing and trading. It is understood that the company has not found traffic as sufficient on the Bay to warrant continuation of the two boats as formerly upon the Trenton and Picton route.

FIRE IN CANNIFTON WAREHOUSE

Fortunately Coal Oil Did Not Catch Fire Although on the spot—Small Damage

Fire early last evening did considerable damage in the warehouse of Mr. J. Ed. Shorey, merchant of Cannifton. How the blaze originated is not known. When first discovered dense smoke was pouring out of the building. However the villagers turned out with enthusiasm and formed a bucket brigade from the well on the property to the scene of the fire and in this way quenched the flames. Fortunately the loss was not great, perhaps $100 or more to stock and building.

One peculiar feature was that the coal oil tanks were on the spot where the fire was burning and the gates were burned off and the wheels charred, but the oil fortunately was not reached, or safely were the tanks sealed and so quickly did the residents put out the blaze.

IN MEMORIAM

In loving memory of Muriel Gladys beloved daughter of Mr. and Mrs. Joseph Whiting, Cannifton, aged seven years and three months, who departed this life March 29th, 1914.

One week has passed our hearts still sorrow
As time goes on we miss her more
Her cheerful voice her welcome face,
No one can take dear Muriel's place.

Her memory is so dear to-day
As at the hour she passed away,
When days are dark, and friends are gay
Dear Muriel how we long for you.

Relentless death among us comes
And bitter griefs imparts,
It takes the loved ones from our homes
But never from our hearts.

God called her home it was His will
But in our hearts we love her still.
Her memory is so dear to-day
As at the hour she passed away.

Written by L. A Nicholson, West Cannifton Ont.

No child should be allowed to suffer an hour from worms when prompt relief can be got at a simple by the use of Mother Graves' Worm Exterminator.

SIDNEY COUNCIL

Town Hall, Sidney, Monday, March 30th, 1914.—Council met pursuant to adjournment.

Present—Chas. Ketcheson, reeve; C. H. Vanderwater, deputy reeve; Geo. R. Rose, Chas. B. Meyers and Harry J. Ketcheson, councillors.

Minutes of last regular meeting and special meeting of Jan. 29th, read and approved.

The following communications were read and referred as follows:-

A letter read from Stirling Agricultural Society, requesting - Sidney council to make a grant in said association.—No action taken

A letter from Mr. R. J. Graham, requesting council to grant right of way on township roads to the Seymour Power and Electric Co. to erect poles and string wires, in the village of Frankford, to enable them to furnish their mills with electric power.—Referred to committee of the whole on By-laws

A letter from Mr. W. N. Ponton re school taxes in school section No. 2—Ordered received and filed.

Moved by Mr. Chas. Vanderwater, seconded by Mr. Geo. A. Rose, that the following accounts be paid— The Municipal World $1.90; Morton & Herity, printing $5.75; Arthur Sine, on corn cord of wood for Mark McInnis, $2.50—Carried

Moved by Mr. Clement H. Ketcheson presenting the auditors' report for 1913.

Moved by Mr. Geo. A. Rose, seconded by Mr. Harry L. Ketcheson, that the auditors' report be received and adopted, and the auditors' be placed on pay list for $6 each and that Mr. Clem. H. Ketcheson receive $3 additional for extra work.—Carried

The following bylaws were passed through their various stages, signed, sealed and numbered 651 and 652 consecutively.

A bylaw appointing pound keepers and fence viewers.

A bylaw to grant power to the Seymour Power and Electric Co. to erect poles and string wires on all township roads in the Village of Frankford.

Moved by Mr. Chas. H Vanderwater, seconded by Mr. Geo. A. Rose that the usual grant of $50 be made to Frankford Public Library.—carried

Moved by Mr. Chas. B. Meyers, seconded by Mr. Chas. Vanderwater that the end is hereby instructed to be and is hereby instructed to engage for a new roof on Sidney Town Hall.—Carried

Moved by Mr. C. B. Meyers, seconded by Mr. Chas. Vanderwater, the council now adjourn until Thursday, May 28th at 10 a.m., Clerk to advertise Court of Revision at 11 a.m.—

A. M. Chapman,
Township Clerk.

NO NAME SIGNED

We have received two communications from a correspondent at Zion, but the correspondent has neglected to sign his or her name and we are therefore compelled to withhold publication until this is supplied. We have nothing objectionable in the correspondence sent in, but we must in this case as in any other, know the source of news items that are forwarded for publication.

FREE DRAINAGE SURVEYS

Farmers, have you a field on your place that is too wet, cold and sour? Drainage will reclaim it and make it one of the best fields on the place.

Drainage does four things. First it removes the surplus water and renders it possible to cultivate and seed a bout three weeks earlier in the spring than on the same land when undrained. Secondly it makes the land from ten to fifteen degrees warmer than if not drained, and this warmth germinates the seed properly and and gives a good stand of grain. Thirdly it puts plenty of air down to the roots of the plants, which is necessary for satisfactory growth, and fourthly, it makes the soil more porous, and this in turn causes the soil to store up more water for the use of the crops in time of drought.

Frequently the increase of crop in one year pays for the drainage, and always it more than does it take longer than three years, so that drainage pays from 30% to 100% per annum on the money invested.

Have you difficulties in drainage? The Department of Physics of the Ontario Agricultural College will send out, on application. They will make you a complete survey of the area to be drained, or run a single line of drain, and when done furnish you with a finished map showing location of drain, grades, sizes of tile, etc., a detailed guide for the construction of the drain. If you desire this kind of information, write to the Department of Physics, O.A.C. Guelph, for the regular application form.

The grocery store of Mr. L. E Mills, Shannonville, was burglarized on Monday evening and large quantities of boots, watches, including one gold watch and nickel ones, and many other articles, amounting to a value of about $100 were taken

Mr. J. A Jarrell of Napanee, arrived in the city yesterday in connection with the work being done in the Harbour.
