BOARD OF HEALTH

The Board of Health yesterday de ided that a glazed pipe sewer was a health necessity on Taylor Ave. There were present at the meeting Chair-

were present at the meeting Chairman Dr. Charteris, W. S. Richards, Chas. Hadley and W. R. Baxter. C.ty Eng neer Jones was present. He advised that the sewer on Ursuline Ave. be constructed from Lowe Street to the River Thames instead of from Lowe to Head Streets, as at first proposed. Medical Health Officer Dr. Hall advised the same.

On motion of Mr. Hadley, seconded by W. S. Richards, the former motion was rescinded.

It was then moved by Mr. Hadley, seconded by Mr. Richards, that the local Board of Health for the City of Chatham, recommended and resolved that it was desirable and necessary in the public interests to construct a glazed pipe sewer on Ursuline Ave. from Lowe St. to the Thames River, for santiary purposes as a local improvement and the city council be requested to pass the necessary inactments in order to carry out the conditions of this resolutions: The motion carried.

The following accounts were passed:—

CRICKET

LOOKS BAD SO FAR. Trin.ty College is playing the local cricket club here to-day on one of the best wickets, according to some of the players, ever known even for Chatham.

The visitors went to bat first and wern't half out at lunch time for 93

runs.

Chatham bowlers were not right at themselves and the Trinity boys were batting pretty well. Greening secured 37, not out, and Southam was out for 32.

showing with their American friends they were defeated twice. The Mt. Clemens, players are fast and play good ball. The C. M. C's. were weak from the fact that they lack practice together. Pete McAuley, the manager of the C. M. C's. was there and is perfectly satisfied with the showing made by his team.

In the morning game the score was 12-3 in favor of Mt. Clemens. Nearly all of these runs were made in one innings, when the Chatham players seemed to go up in the air, while their opponents by a succession of bunts tallied up the runs.
