e past! ords I uttered o'er and o'er towhile strolling round the schoolhouse, where of old
I spent that golden season, youth.
Heart sad, sad, ed eyes, I slowly moved around The old, loved, familiar structure, seekod memorials. I sought the door used to close the entrance to

at lair resome, dark, mysterious, the With fuels stowed, but lo, the door was

Gone from its place with all its ancient

Scars,
Its deep cut fines and old initials traced
By countless jackknives wielded by the
hands
Of countless schoolboys who attended
there.
Where are they now, those merry boys?
Oh where?
And the same, old repeated answer comes,
"Many have passed into the silent land,
Many have wandered from this scene
afar:

they are not

The merry comrade of the olden time.
Blankly the windows gleamed so shattered of the investigation makes

The results of the investigation makes. door.
But the world's cares have changed them, tutions, and of all persons passing throu

Then tears unbidden blinded all my

Then tears unbidden blinded all my sight,
And stifling down the rising sobs, I exclaimed,
O tome of time, how swift thy pages roll,
Bringing new scenes to life at every turn.
And hiding those just shown eternally!
Each generation views only once
Then they are veiled forever. Soul in slown.

My steps now passed the threshold known in youth. But Time had played the vandal more within "And he come Than e'en without. The room wherein to guess.

I conned
My lesson had been put to meaner use
And all its old proportions defaced
By rambling, rude partitions. Here and
there

Some Fruits of the Saloon,

The Massachusetts Bureau of Statisti Have mostly found a place. A few have risen
To something like a name; "and now and then
I meet all unexpected one of those
Whose names were carved on the cellar method adopted was that of direct in-

The merry comrade of the olden time.

Blankly the windows gleamed so shatter, ed oft.

By rattling snewball fusilader what time we fought fierce battles and the air was thick.

We fought fierce battles and the air was thick
With dying missiles. Tall the grass had grown
Hiding the well worn crease whereon we played
At ball; and fansy brought the forms again,
And ringing shouts as at some lucky stroke
The ball flew high and far, swiftly pursued
To catch it ere it fell. Thy voice was there
Millerd, and Douglas thine and Charles and Jack;
Yea, and the voice of one whose tones were hushed
Forevermore by Minas' turbid tide, Loved lost companion of my beyhead days,
In Memory's fame enabrined while life shall be!
And Fred who fell in manhood's early prime
With the well worn crease whereon we have the shall be!
And Fred who fell in manhood's early prime

And Fred who fell in manhood's early prime
With soul untainted; and noble hearted Walter,
With Leslie, unto both of whom appeared.
The Reaper stern while life was in its morn,
Veiling the promise of a fair, bright noon.
The faces and the tones of these and more Relivened the old playground. Sadden and laughter burst upon my dreamy state,
The tramp of childish feet, and gazing round,

The faces in the tones of these and in the license cities and towns the arrests for drunkenness were only about one-fourth, and laughter burst upon my dreamy state,
The tramp of childish feet, and gazing round,

The proposition law, under which the cities and towns toward annually upon the license in places where the amount of drunkenness in places where the saloons were closed and in those where they were open. In the no-license cities and towns to a part of the population as in the license cities and towns the arrests for drunkenness were only about one-fourth, and the proposition law, under which the cities and towns vote annually upon the licensing of saloons.

One branch of the bureau's lavestigation was directed to ascertaining the relative amount of drunkenness in places where they were open. In the no-license cities and towns were closed and in those where they were open. In the no-license cities and towns to annually upon the licensis of saloons.

The tramp of childish feet, and gazing round.

Forth poured a merry band adown the steps of the vannting structure that usurps the place of my beloved fane. It was recess With all its stir and bustle and delight, But not a voice or face in all the band Was known to me, and not one greeting voice of Greeted me; a generation strange of the year under license and a part of the year under license months ehowed nearly three times as many arrests for drunkenness, on the average, as the no-license months. These statistics, taken as a whole, seem to the year under license months ehowed nearly three times as many arrests for drunkenness, on the average, as the no-license months. These statistics, taken as a whole, seem to the year under license and a part of the year under license and a Was known to me, and not one greening voice
Greeted me; a generation strange
Played the same games and shouted, ran and laughed,
But I might join them not, a stranger where
But yesterday I romped like them. I sighed,
Then the published all my

"That's what I've been writing. You easie the wall him in the first place?"

"That's what I've been writing. You easie he deadly evils of the drinking custom. Christ's bunday shared me a beast. Then he said he would have me up, but he has made me to staggeting around and then threw me go staggeting the deality of the drinking custom. Christ's burderies are neglecting this; tundy shared we have largely disbanded; moral efforts are dying out; and ferst are neglecting this; tundy shared we have largely disbanded; moral efforts are dying out; and fresh education against the deadly evils of

drank for the good of my health. He rained the little I had and left me as sick as a dog. He said he would warm me up, and I was soon nearly frozen to death. He said he would steady my sear. The sale of these household friends is increasing so fast that at timea the manufacturers have difficulty in filling orders that pour in from the wholesale and retail trade.

The enormous and fast increasing consumption of Diamond Dyes indicates immense popularity, due of course to quality, strength, brilliancy and fastness of colors.

Diamond Dyes give colors that last till the materials are worn out. Every color is true to name, the results are always pleasing and satisfactory, and they are sold at the same price as the common imitation dyes.

The nyou quit?" I ventured to ask. (No," he answered sadly, "I drink now the billiance of colors.

When buying package dyes for home dyeing see that your dealer gives you the Diamond Dyes, the only guaranteed dyes in the world, the only colors that give you value for your money and time.

A maiden lady of very mature years of the made in a sick was a dog. He said he would steady mup, and I was soon nearly frozen to death. He said he would steady my nerves; but instead he gave me delirium tremens.

"He said he would give me great provinces.

"He said he would give me great provinces.

The lorength and he made me a great my first the said he would give me great my free said and retail trade.

The cormous and fast increasing consumption of Diamond Dyes indicates increasing one subject to make a gentleman of the provinces.

The sold at the would steady my merves; but instead he gave me delirium tremens.

Toast—Woman, the fairest work of the rest Author; the edition is large, and o man should be without a copy.

You're mighty lucky I haven't sued ou for damages.

Minards Liniment is the best.

Mrs Levi—Bud afder our Repecca narries young Cohn, do you subboss abe fill own his beard of Levi—I tendt gare i gontinental vedder he has a heard or not. He has a life insurance bolicy for teefty thousand dollars, and only you

"It's tiresome," he remarked cynically, to see people getting so excited over a treus. It's the same old thing over and ver again." "Maybe you haven't oberved closely," ventured his wife. Humph! I guess I ought to know what making about, I've seen every one hat ever came here since I was six years ld." Minards Liniment Cures LaGrippe,

"Father," said a thoughtful little boy, now many feet has a dog, if we call his all a foot?"
"Why, five feet, my son."
"No, father, that isn't right."
"How so, my son?"
"Why he would only have four feet.
"Ou see, calling his tail a foot doesn't nake it a foot."

When the scalp is atrophied, or shiny-ald, no preparation will restore the lair; in all other cases, Hall's Hair Re-newer will start a growth.

"Pye just expressed my opinion of Snobson, and told him in plain terms what I think of his contemptible meanness." "Snobson's a pretty dangeroman to talk to that way, I suppose you are ready to back your opinion." "I am," said the infuriated man, as he sealed the letter and wrote Snobson's name on the envelope. Minards Liniment the best Hair

Sir Wilfred Lawson tells the foll wirg story: "A woman was once pursuing her fugitive cow down a lane when she called out to some one in front, "Man, turn my low". The man took no notice, and ot a man; I am a magistrate."

Some people are constantly troubled with pimples and horia, especially about the face and neck. The best remedy is a thorough course of Ayer's Sarsaparilla, which exyels all humors through the proper channels, and so makes the skin become soft, healthy and fair.

The following colloquy is reported between the late Mr Spurgeon and a boy in his orphanage; "Mr Spurgeon, a posing there was an orin 'sytum an' one hundred orins in it, an' all the orins had uncles an' aunties to bring 'em cakes an' aspples, 'eept one orin, wot hadn's no one, oughth't somebody give that orin sixpence?" "I think so, Bob," replied Mr Spurgeon, "but why?" "Quase Tm him," said Bob. The story goes that the orin got the sixpence.

C. C. RICHARDS & Co. DEAR SIRS,—For several years I suf-fered so severely from neuralcia that my hair came out and left me entirely bald, I need MINARD'S LINIMENT freely, which entirely cured the neuralgia, and to my astonishment I found my hair growing rapidly, and I now have a good head of hair.

Springbill.
