FAILING.

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse. The only sure remedy yet found is Davis' Quinine Iron and Wine, and this by rapid and thorough assimilation with the blood, purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Davis' Quinine Iron and Wine will cure Dyspepsia, Indigestion, Liver Complaint, Malaria, Intermittent Fevers, General

BURTON, SUN. Co., July 17, 1883.

Dear Sir,—I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker every day. I tried Davis' Quinine Iron and Wine, and am happy to say I now have a good appetite and am getting stronger.

JOSEPH MCCAWLEY.

UPPER CAVERHILL, YORK Co., N.B.,

GEO. H. DAVIS, Esq : Dear Sir,—In answer to your letter of nquiry relative to the benefit derived from Davis' Quinine, Iron and Wine, allow me to say that I consider it a wonder, and the best, Tonic I have ever used, having tried several others without being benefited any. I was induced to try your Quinne, Iron and Wine, and am now a new man, having gained by its use my former strength and activity, and as for my appetite, it never was better.

Very truly yours,

ELIJAH NAVINS.

Davis' Quinine Iron and Wine is not a drink, and does not contain whiskey. It is a simple preparation of Iron and Quinine that causes no injurious effects. Get the Genuine. Ask for Davis' and take no other.

The Desk I make is seat and desk combined, and is offered to School Trusteé Boards positively and is offered to School Trusteé Boards positively properties.

This is the time of the year when the voice of the average boy experiences strange mutations. In school when he is called upon to declaim a "piece" it is often impossible to hear him ten feet away. But in the very same afternoon his voice can be heard all over the base ball grounds and clear over the fence as he wildly yells, "Go now, you've got to go."—N. Y. TRIBUNE.

"I say Aunt Chloe, you is getting around right smart." "Yes indeed I is, oney. I was pestered and sick abed with Rheumatism for six years and done cried this West's World's Wonder or Family Liniment the people are talking so much about, and I was sure enough cured. It done saved this old nigger's Price 25 and 50 cents per bottle. Sold by Geo. C. Allen, Newcastle, G. E.

Some folks have their work laid out beforehand. A physician's work is often laid out after he has finished it.

Baird's Balsam of Horehound is composed of choice Herbs and Gums, noted for their Healing and Tonic Properties, while at the same time twitchings of his toes. the Balsam produces easy expectoration, and gives rest and comfort in all affections of the Throat and Lungs.

Baseball is underiably immoral. Clubs have begun to offer \$100 to each player stealing the greatest number of bases.

For Blotches, Pimples, Paleness, Loss of Appetite and Debility, use Baird's Quinine and Iron Tonic, it enriches the blood, thereby fortifying

A superstitious subscriber, who found the kind. The spider was merely looking over the columns of the paper to see WE HAVE JUST RECEIVED what merchant was not advertising, so that it could spin its web across his store door and be free from disturbance.

A Scotch dominie, after relating to his scholars the story of Ananias and Sap-phira, asked them "why God did not strike everybody dead who told a lie?" After a long silence, one little fellow got to his feet and exclaimed: "Because, sir, there wadna be onybody left."

A boy was asked if he ever prayed in

sore eyes. Sold at the drug stores-

A witty old deacon put it thus: " Now, brethren, let us get up a supper and eat ourselves rich. Buy your food, then give it to the church; then go and buy it back again; then eat it up, and your church debt is paid."

Thousands owe their recovery from that fell destroyer Consumption, to West's Cough Syrup. Its success is unparalled in the annals of medicine. It is a positive and complete cure for Coughs, Colds, Hoarseness, Influenza, Bronchitis Asthma, Whooping Cough, and all Throat and Lung difficulties. Price 25 cents, 50 cents, and \$1.00 per bottle.—Sold by Geo. C. Allen, Newcastle, Geo E. Frost, Campbellton, Druggists.

Don't be a fool, my dear," remonstra ted a husband to his wife, who was using her tongue freely. "I won't Mr. Jen--I won't," she answered. "People wouldn't know us apart if I did." He went right down town.

A "Kitchen Garden" Cooking Class. [New York Times.]

For some time there has been in connection with the Olivet Industrial school a "kitchen garden" class, where, with miniature utensils, the children have been instructed in table-setting and dish-washing, bed-making and sweeping, laundry work and scrubbing, all done to the accompaniment of music and songs. Owing to the impetus given to all kinds of industrial training by the Industrial Education association, an advanced course in demestic econan advanced course in domestic economy has been established during the past year, which has been attended be a little embarrassed if they knew or relieved, if possible, with little

specifics is largely increased. It is also very palatable.

If itted up, where chamberwork, bed-making, sweeping, and dusting are actually performed by the children. A dining table and service is arranged and service is arranged and service by the children three potentials.

If the dup, where chamberwork, bed-making, sweeping, and dusting are ments of the house, and too often the garments of the household. The kitchen is in a large measure responsible for a soft pasture for a few months, a

domestic economy is the teaching of practical cooking, including the preparation of simple dishes which are within reach of the propert for th of the instruction. tion of simple dishes which are within and lungs is truly astonishing. No family should be without it.

It is related of a popular clergyman that he startled a dull prayer meeting re

would seem to be equal to those which do.

Which do.

Mr. F. A. Pelev specks of the same which do.

Mr. F. A. Paley speaks of the ammophila arenaria, the well-known sandgathering grass of Europe as well as of American coasts, in which he records his observations, conclusively showing a power to draw up moisture from the records the surface which is then given.

The following and the description of the clover. As a rule, it may be said that summer seeding is more successful, successful, summer seeding is more successful, summer seeding of the clover. As a rule, it may be said that summer seeding is more successful, summer seeding is more successful, summer seeding of the clover. As a rule, it may be said that summer seeding is more successful, summer seeding is his observations, conclusively showing a power to draw up moisture from the roots to the surface, which is then given out to the sand. The sand is moistened out to the sand. The sand is moistened has been found excellent. The stuble is well plowed, not more than four ble is well plowed, not more than four ated with about 20 per cent. of Starch. Thousands of these involute leaves work in the best manner, pulverizing grow in one spot, each giving forth its moisture, and adding power to retain the soil, levelling the surface and smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it, so as to get the land in smoothing it. the most perfect condition for the seed. After all this has been done, and the furrow marks obliterated, the seed is sown and the surface fax, N. S., reports:immediately rolled. If this is done WOODILL'S of good quality, contains nothing injur cupants of the treasury bench in the in July, nothing more is required. house of commons under question-fire liftit is left later, it will be desirable house of commons under question-fire at a highly critical juncture of foreign politics, he muttered to himself and to the extreme surprise of his next-door neighbor under the gallery, "What a pity it is that the beggars wear boots and stockings!" To the inquiries of his meaning, he returned evasive adswers, and it was only upon reference to a professional colleague of the learned gentleman that the mysterious utterance was explained.

This affords protection for the young grass and clover in the fall and winter. We have found it a good plan to leave the turnips on the ground and not gather them. They will be killed by the frost, and the leaves falling down, furnish protection to the grass during winter, and in the grass during winter, and in the grass during winter, and in the early spring, when so much damage The eminent advocate, it seemed, was early spring, when so much damage accustomed to attribute his marvelous is usually done by the alternate thaws
