

TAROL

**RELIEVES PROMPTLY
CURES SURELY**

Coughs, Colds, Bronchitis, Whooping Cough, Grippe

AND ALL
AILMENTS OF THE RESPIRATORY ORGANS

TAROL is a scientific remedy prepared by competent chemists, according to formulas approved and recommended by the Medical profession, with choice elements, the principal being

Wood Tar and Cod Liver Oil

Wood Tar acts as a powerful antiseptic to the throat, bronchi and lungs, protecting these organs against the evil action of the microbes.

Cod Liver Oil soothes the irritated mucous membranes, eases the cough, promotes expectoration and supplies the whole organism with the energy needed to overcome the diseases and to recover strength.

New Taxation Measures

**Supertax on Large Incomes and
Less Exemption—Increased
Tax on Luxuries**

The New Dominion budget provided for heavy increases in taxation, to meet the ever growing War operations. The changes proposed are as follows:

Capital of business subject to taxation reduced from \$50,000 to \$25,000.

Income tax exemptions in case of unmarried men, reduced from \$1,500 to \$1,000, and for married persons from \$3,000 to \$2,000.

Income tax exemption of \$500 for each child under sixteen years of person liable under income tax.

Supertax of ten per cent. on incomes of \$6,000 up to \$10,000, with increasing rate on incomes over that amount.

Excise duties on manufactured tobacco increased from ten to twenty cents per pound; on cigars from \$5 to \$6 per thousand; on cigarettes from \$3 to \$6 per thousand.

Customs tax of ten cents per pound on tea.

Taxation on green coffee is raised, British preferential from 2 1/2 cents per pound to 5 cents, and general tariff, from 3 cents per pound to 7 cents.

Present rate of duty upon malt beverages, or beverages using rice and corn, formerly not more than 2 1/2 per cent ad valorem to 40 per cent ad valorem.

Tax of ten per cent on sleeping car berths with minimum tax of 25 cents; increase on parlor chair tax from 5 to 10 cents.

An excise tax of one cent per hundred is provided on matches, or fractional parts thereof.

An excise tax of 8 cents per each pack of playing cards is also provided.

A specific rate of customs duty of five cents imposed per each linear foot of moving picture films.

A special excise tax is provided of ten per cent upon the selling value of automobiles, jewellery, talking machines, pianos and records, imported or manufactured in Canada.

Regarding the automobile tax it is applicable to all cars imported or manufactured in Canada and at present uncollected.

CONCERT AT MILLERTON

The members of Secret Rebekah Lodge No 60 held a concert and social evening in the Millerton hall on Wednesday evening, April 24.

A 3 act comedy entitled Mrs. Briggs of The Poultry yard was put on by the members of the Lodge, and proved entertaining.

Mr. Will Mitchell sang very acceptably between the acts and Master Albie Carter rendered two recitations.

Lunches were served after the concert and the remainder of the evening was spent in "tripping the light fantastic."

Ross orchestra was in attendance and rendered first class music both for the concert and the dance.

Mr. Jack Vanderbeck and Miss Grace Russell very kindly assisted with the music for the concert.

The proceeds amounted to \$107.00 From this sum the final payment was made on the piano of the Lodge room and \$15.00 was donated to the local Red Cross Committee

Pale, Listless Girls

Are in a Condition That May Lead to a Hopeless Decline

Perhaps you have noticed that your daughter in her "teens" has developed a fitful temper, is often restless and excitable without apparent cause. In that case remember that the march of years is leading her into womanhood, and that at this time a great responsibility rests upon you as a mother. If your daughter is pale, complains of weakness and depression, feels tired out after a little exertion; if she tells you of headaches and backaches, or pains in the side, do not disregard these warnings. Your daughter needs the help that only new, rich blood can give for she is anemic—that is bloodless.

Should you notice any of these signs, lose no time, but procure for her Dr. Williams' Pink Pills, or her unhealthy girlhood is bound to lead to unhealthy womanhood. Dr. Williams' Pink Pills enrich the impoverished blood of girls and women, and by so doing they repair the waste and prevent disease. They give to sickly, drooping girls health, brightness and charm, with color in the cheeks, sparkling eyes, a light step and high spirits. If your daughter shows any signs of anemia insist that she begin to-day to cure herself by the use of Dr. Williams' Pink Pills. Miss Grace E. Haskins, Latchford, Ont., says:—"It would be impossible for me to speak too highly of Dr. Williams' Pink Pills. A few years ago my health was such that my parents were seriously alarmed. I was pale, listless and constantly tired. I suffered much from headaches, and my trouble was aggravated by a bad cough. I tried several medicines, but to no avail, and my friends thought I was in a decline. Then Dr. Williams' Pink Pills were recommended and my mother got three boxes. They were the first medicine that really helped me and a further supply was got and I continued taking them for several months until they completely cured me. Today, thanks to Dr. Williams' Pink Pills, I am as healthy as any girl in Northern Ontario, and I am giving my experience that other girls may benefit by it."

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Pink Pills Medicine Co., Brockville, Ont.

CARE OF THE TEETH
The teeth should be brushed at the morning toilet, after each meal, and again carefully at night, just before retiring, because of the presence of decomposing matter which has a longer time during the hours of sleep in which to set up a process of decay.

Basic Facts About Belting

AND PARTICULARLY
Dunlop "Gibraltar RedSpecial"
Frictioned-Surface Transmission Belting

A Worthy Product

Years of careful study of the high-power belt problem have enabled Dunlop Laboratory experts to create "Gibraltar RedSpecial" Belting, the original Red Face Rubber Belting of Canada—a product worthy of the Dunlop Factories and of the quarter-century record of success back of them.

"Gibraltar RedSpecial" Virtues Are Real

Dunlop "Gibraltar RedSpecial" Belting is to-day simple that they are now, always have been, and widely used in a multitude of ways in the many always will be, in our opinion, the bedrock of varied industries in this country. It owes its success, not to any illogical deductions or fantastic analyses, but to the simplest causes—causes so

Permanent Elasticity Means "Life" in Belting

In producing this new, this original, this master, with long "fingers," and not a quality of rubber red belt, our object has been to have the friction the elasticity of which has been sacrificed to obtain the so-called high-pulling test. its life indefinitely, and to have a quality of rubber

That "Friction Pull"

When you are informed that such-and-such a belt has a "friction-pull" of abnormal poundage, do not imagine that you are getting a quality friction. What you have to secure in a belt is a friction full of elasticity. There must be between the plies of duck only a certain class of rubber to give uniform strength and pliability.

Resilient Quality Must Not Be Sacrificed To Excess of Friction Strength

To obtain high figures, such as referred to above, you a belt, the friction of which will hold the plies together and will be sufficiently elastic in its properties to allow for the give and take necessary in rounding the pulleys. It ensures for

Duck Finest Obtainable, Made to Highest Specifications

A highly important feature of "Gibraltar RedSpecial" is the duck which enters into its construction. Only the finest quality of specially-selected duck, having the proper tensile strength in the right direction, is used. And this, in combination with a superior rubber friction between the plies, ensures absolute uniformity of service.

Universal Recognition of "Gibraltar RedSpecial"

To cite the names of users of this famous, red frictioned-surface belt would necessitate the use of much space. We have on file recommendations from almost every type of industry requiring "Gibraltar RedSpecial" Belting in widths varying from 1 1/2" to 48". These testimonials are available for your perusal at any time.

The Original "Red"

"Gibraltar RedSpecial" as noted previously, is the Original Red Rubber Belt—and like most things that are original, its success is of the kind that endures.
