STRENGTH FOR

THE DAY'S WORK

DEPENDS UPON GOOD BLOOD TO NOURISH THE BODY

Weak Pe ple Need a Tonic, One Which Acts Directly on the Blood and that does Not Weaken the Body by Useless Purging

There are thousands of people ate caused me intense pain and some throughout Canada who are without days I did not touch a thing but a ambition or strength to do their day's cup of cold water, and even that disambition or strength to do their day's work, and who are always tired out, have but little appetite and a poor digestion. They cannot get a retreshing night's sleep and are subject to headaches, backaches and nerwouness because their blood is impure. To men and women in this condition Dr. Williams' Pink Pills give quick relief and permanent cure because of their direct action on the blood which they build up to its normal strength. As the blood becomes rich and red it strengthens the muscles, tones' up the nerves, makes the stomach capable of digesting food, and repairs' the wastes caused by worry of work. In a word, the use of Dr. Williams' Pink Pills means ressoration to perfect health.

\$20,000,000 MADE OUT OF 5 AND 10 CENT PIECES

If a person were to say to the average young man of 25 years, "Young fellow, do you know that if you save your nickles and dimes, it is within your power to make \$20,000,000?" he would be considered a little off. But A has been done, and the late F. W.

Woolworth did it.
When Woolworth was a young man he, at one time, earned only \$8.50 a week, kept a wife and child and saved \$59, which added to \$250.00 he borrowed, bought his first stock of goods. In time he started his 5, 10 and 15 cent stores, and had about 1,070 of them when he died. He built the

Cause of Early Old Age

The celebrated Dr. Michenhoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Seigel's Syrup" after meals makes your digestion sound.
