MAITLANDVILLE. COOPER SHOP BURNED.—At about 10.15 p. m., an Saturday the fire slarm was sounded, and bright flames were seen in the neighborbood of the river, many thinking that Secord & Cozzon's lumber piles had caught fire. A beautiful sight met those who went as far as effects of the bright light on the river, the high bills and the surrounding scenery was really beautiful. A crowd quickly assembled about the burning building, but the flames had gained too much headway and were left to burn out. The building was quickly reduced to ashes. It was well constructed, originally costing about \$500 and belonged to Mr. John Lamont, formerly of toderich but

John Lamont, formerly of Goderich but now of Placer Country, California, We believe there is no insurance on the building. Mr. C. C. Sinclair, of Mattlandville, had somegrain and feed stored in the building and this was also destroyed. While the fire was waning, some persons passing around the niles of tan-

ed. While the fire was wanting, some persons passing around the piles of tambark close to Kirkpatrick, Bro. & Co's tannery, found a fire just started in the midst of it. The flames, which had evidently been started by an incon lary as the presence of shavings indicated, were quickly extinguished. Other signs of incipient fires were found about the tambery, and him leads to the conclusion that the cooper shop find been set on fire. The object of the incendiary doubt less was to origin a large conflagration which would draw the town's people and the engine to the rescue, and then the coast would be clear for their dastardly operations in town. We understand that the Mesers. Kirkpatrick offer a reward of \$500 for the apprehension of the villains. of the villains.
