SHOPPING BY MAIL.

DICKS'S MAIL ORDER SERVICE annihilates the distance between your home and Dicks's Popular Book and Stationery Store and Bazaar of Fancy Goods.

Dicks's service is dependable, whether you trade in person, or ask us to make selection for you. In one way perhaps it may be said that we pay even closer attention to the order by mail, because when you call in person it naturally relieves the store of some of the responsibility of selection.

Please do not think that your order is thrown into the basket with scores of others to be ground out mechanically—nothing of the sort at the Popular Store.

It is the conscientious handling of orders as well as the high quality of goods which accounts for the steady growth of Dicks's Mail Order Service.
