The Evening Telegram.

W. J. HERDER, Proprietor. . . . W. F. LLOYD, Editor. ST. JOHN'S, NFLD., FRIDAY, SEPTEMBER 5, 1913.

"Breaking the Banks."

McGrath's Socialism -- Coaker the Greatest Enemy Socialism Could Have.

McGrath is going from bad to worse. A day or two ago he outraged the commercial men of the country by the publication of a private business transaction of Mr. Herder which had not the remotest connection with politics. His own supporters in the Banks. That is another story. These local stores. It is all right for a sin are not the days of the Commercial gle company to control great enter-Bank. The banks these days, are prises, to receive lands and subsidies well able to take care of themselves from the Government, and to enter inand they will continue to take care to contracts with the Government ing. This outrage shows more pal-paper, a steamer, a wholesale trading pably than anything else has yet company and a large number of outdone the fear McGrath has that Morison himself was the Attorney

brands, viz.:

rectors resolved that a WRIT-TEN ORDER should be received before any further deposit was made, and when such order is

received the Directors will meet to consider it. ough they asked, where is this going to end? They argued very properly McGrath's conduct is an incentive to the Liberal Party to publish like transactions of theirs, and if such attacks and reprisals are to be the order of the day, then indeed the doom of Water Street will be sound. attacks and reprisals are to be the order of the day, then indeed the doom of Water Street will be sounded. McGrath is growing desperate at the thought of the certainty that Morris's Day is Done, and the days of his boodling is drawing to a close. It would be a bad thing for Water Street business men if such heinous conduct is to continue, but for the of themselves. They may be trusted which involve the raising of many further to bring enough influence to bear to put an end to the panic that McGrath in his desperation is starting. This outroge shows were related to contracts with the Government. But, according to McGrath, it is socialism for fishermen to unite to own a news-Minimise The Loss.

Practically farmers may easily minimise the loss, due to a backward and cold season, by the judicious use of Sulphate of Ammonia as a fertili-

20 per cent of nitrogen, as against 15 per cent in Nitrate of Soda, and is therefore more than 25 per cent better than nitrate of soda as a means of

people have not. Has he forgotten count with McGrath. The only thing that Sir William produced a record which counts with McGrath, is the has increased enormously of late years of the Savings Bank, three months making of the grabs he hoped to get and it is recognized to be the most before the date of the Bank Crash to from a continuance of Morris in of- valuable fertilizer obtainable. By its fice. His prospects for grabbing are endangered. They are disappearing and by November they will vanish. He is thus driven into desperate straits and is leading a forlorn hope, reckless in lying, regardless of the injury he may do the country by his panic tactics, and making a futile efaddress on application.

The price of Sulphate is moderate, and our terms are accommodating. fort, by wading through any disaste ST, JOHN'S GAS LIGHT COMPANY. Board of Trade Building, St. John's.

A Warning.

NO TRIMMERS IN BOND'S RANKS. Dear Sir,-"Running with the hare

and holding with the hound" won't do in the ranks of the Liberals. We want in the ranks of the Liberals. We want clean, clear-cut men. No trimmers need apply. We intend to win and who can stop us? P. T. McGrath can't; Morris can't; Cashin can't; Piccott can't, or any other influence they can bring to bear, can't. The coalition between Bond and Coaker has come to We have the thing well in hand Will the Tories get any? Every district in the Island is opposed to them. The big city districts, St. John's East and West, will only elect Liber That's all that's wanted.
