Count Ten! Bad Cold Relieved Figure Three Hours—ColdCure.

Never a Failure With Catarrhazone; it Cures Completely.

Don't snuffle and sneeze with a nasty cold. Kill it at once by "Catarrhazone." It's the surest thing on colds ever known; simply knocks them out in no time. The medicated vapor of CATARRHAZONE spreads through all parts of the breathing organs, and its beneficial action is felt instantly. Doesn't matter whether the cold is in the head, chest or lungs, Catarrhazone will reach it and cure it quickly.

Easy to use—you bet it is—not a single drug to take because you simply breathe in the most healing and soothing of piney vapors that come from the wonderful Catarrhazone inhaler.

"I can cheerfully testify that Catarrhazone is simply a magical cure for colds," writes P. F. Clement, of Augusta. "For days last winter my head was completely filled up with cold. My eyes ran water, I sneezed and coughed constantly. I took many medicines. I was sick of the sight of them. Finally, I tried Catarrhazone. Its effect was magical. It soothed the inflamed membranes, stopped the sneezing, and cured in no time. I never met anything to kill a cold like Catarrhazone."

Get the complete \$1.00 outfit; it does the work quick. Small size 50c.; trial sample size 25c. at all dealers everywhere.

WILLIAM PITT born 1759. The second son of the Earl of Chatham and one of the most brilliant statesmen that England has produced. Entered Parliament at 21 and by his oratory captivated the House of Commons. He became Chancellor of the Exchequer at 23 and Premier at 24 and held that office for 17 years. He died when only 46 years old.

THOMAS MOORE born 1779. Ireland's greatest poet. His "Irish Melodies" have sung their way to the hearts of all English-speaking peoples.

WEBSTER died 1842, aged 85. The famous American lexicographer and grammarian whose large "Dictionary of the English Language" was a monumental achievement.

GEORGE I. born 1660. The first King of the House of Hanover. He came to the throne in 1714, but could not speak English and was never popular with his subjects.

Or blooms there a prospect in nature or art.

Like the vista that shines through the eye to the heart?

COMES A TRIBUTE TO DODD'S KIDNEY PILLS.

William Nash, Well-known Farmer, Tells How They Cured Him After Two Years' Suffering.

Marchbank, King's Co., N.B., May 27. (Special).—After two years' suffering from Kidney Disease, William Nash, a well-known farmer here, is a well man, and, like many another in this neighbourhood, he is shouting the praises of Dodd's Kidney Pills.

"My trouble started from a strain," Mr. Nash says, "and for two years it gradually grew worse. My appetite was ruined, I had dark circles around my eyes and my skin had a harsh, dry feeling and itched and burned at night. I was troubled with headaches, cramps in the muscles and stiffness of the joints. Rheumatism finally developed and I was a sick man generally, when I decided to try Dodd's Kidney Pills. They helped me almost from the start, and two boxes cured me."

Dodd's Kidney Pills simply cure sick kidneys. They cure Mr. Nash because every one of his ailments is a symptom of Kidney Disease. Anybody who has any two of these symptoms needs a Kidney remedy, and the greatest of all Kidney remedies is Dodd's Kidney Pills.

Steamers Chartered to Load Pulp & Paper.

The S. S. Meadowfield which brought a cargo of salt to Bowring Bros., is now ceasing from the Bonaventure, and when finished, will leave for Botwood whence she loads paper and pulp for England.

The Mariana which put in here Tuesday has replenished her stores and will likely get away for Botwood today. The Tritonia leaves as soon as repairs are effected and will also load pulp. In addition to the three steamers already mentioned, the Cape Breton under charter to the Donaldson Line, is now 14 days out from Glasgow for Botwood, with a load of coals and after discharging the same will load pulp also. With these four steamers the products of the A. N. D. Co. will be greatly lessened as all of them are large carriers.

Football Annual.

Season Opens June 8th.

A meeting of the Football League took place last night when a considerable amount of business was done, including the drawing of the season's fixtures. There was a large attendance, all the clubs were represented and much enthusiasm was manifested. There will be no inter-brigade contests this year, replies to this effect having been received from the Commanding Officers of each brigade. This decision will be regretted by the public generally.

The committee in charge of such reported that the marking of a baseball diamond on St. George's Field would not interfere with football. The games will be played on Monday, Tuesday, Thursday and Friday nights. Whenever a whole holiday falls on Monday the match set down for that night will be changed to Wednesday.

The first round of the fixtures are:—
Stars versus Saints.
B. I. S. versus Casuals.
Collegians versus Peidians.

St. Bon's versus C. E. I.
The opening game for the season will be played on Monday, June 8th, and as the Star and Saints, who are the favourites this year, are the contestants, a lively exhibition is being looked forward to.
