Do You Know

That our stock of Room Papers is the most up-to-date selection in town?

All with Borderings to match. Prices range from 25c. to \$1.40 per roll. Bordering to \$2.50. Unfortunately a shipment of \$2,000.00 worth of the cheaper grades was lost on a schooner coming from Boston. But our shipment of 54 bales of the best grades of papers has come to hand this week. Come and see them.

The Cost of Tea

HAS ADVANCED

sharply and considerably lately, after a previous earlier rise, but still it looks like even much higher prices for teas.

MOUNT VIEW TEA,

in 1 lb. air-tight packages, which we retail at

50c. per lb. only,

is the best value on the St. John's market. We have kept this tea at the square price of 50c. lb. for some time, despite various advances in landed cost, and will do so as long as our present stock lasts. At present market quotations the price should be 70c. lb. and it follows that prices must advance later.

MOUNT VIEW TEA

is a comparatively new arrival in St. John's, but has been gaining many patrons and holding them. The flavor is right, and the quality is shown by the fact that a pound of Mount View Tea will go as far as any other tea on the market selling from 60c. to 70c. lb. and at least half as far again as any tea selling at 45c. lb. Wise housekeepers who try our Mount View Tea will find they save much money and get a delightful tea.

Emerson Pianos.

The Emerson Piano is too well known in St. John's to need any words of praise; it has sung (with its beautiful singing quality) its own praises for the past 35 years. Come and hear and be convinced.

TORIC
LENSES

ARE MORE BECOMING THAN
FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Torics much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.
