

# EASTER SERVICES

## In the City Churches.

### C. of E. CATHEDRAL.

Large congregations attended the Easter Day services at the Cathedral of St. John, the Baptist yesterday. His Excellency the Governor being present at both morning and evening prayer. The celebrations of the Blessed Sacrament of our Lord's Body and Blood drew many to the altar to "do this in remembrance." At the 11 o'clock celebration which was full choral His Lordship the Bishop was the celebrant, with Revs. Canon Jeeves and Bolt as Gospeller and Epistoller respectively, the assistant being Rev. J. Brinton. At Mattins the Bishop was the preacher, his sermon being most eloquent and instructive, and upon the subject dear to all Christians "The Risen Christ." The Psalms, Easter Anthem, Te Deum, Jubilate Deo, were beautifully rendered by a full choir, the singing being favorably commented upon by His Excellency, who sent a cordial message of thanks to the Organist and chorists. Canon Jeeves, Rector of the Cathedral, also expressed personally his high appreciation of the singing of the choir. At Evensong, the Rector occupied the pulpit and delivered a fine sermon on Easter and the Resurrection. The special anthem at both regular services was "Targett's 'In the End of the Sabbath,'" the soloists being Miss Lily Stafford, and Mr. S. Will Cornick. The altar and super-altar were profusely decorated with Easter Lilies, and the devout body of worshippers which filled the nave and aisles of the spacious building at all the services, were profoundly grateful and heartily thankful for all the mercies vouchsafed them by the Almighty, and for the opportunity to again meet their risen Lord in the Holy Eucharist.

### ST. THOMAS'S.

Services began at 6.30 in the morning, when a great concourse of the faithful assembled for worship of their Risen Lord were present at His altar to receive His Body and Blood. At the second celebration which was choral and beautifully sung by the choir, there was a similar large gathering, as also at the principal service which was immediately preceded by Mattins, when the anthem sung in its appropriate place, had Miss Eva Jones as its soloist. Dr. Jones preached at the last celebration, on the subject of the Day, making it plain that a right attitude towards the Resurrection is necessary for a saving faith in it. Mozart's Gloria was exquisitely rendered at the offer-

ing. At Evensong, Rev. C. A. Moulton was the officiant and preacher. His sermon went home to the hearts of all present, as he insisted on the power of the Resurrection and the necessity of realizing its power in our lives as an antidote to pain, sin and death. The inspiring services of the day closed with the Hallelujah Chorus. The altar was beautifully adorned with flowers and a representation of the Crown above the Cross. The communicants exceeded in number all records, those lately confirmed making their first Communion.

### ST. MARY THE VIRGIN.

The Easter Day Services at St. Mary's began with a celebration of the Holy Communion at 6.30 o'clock, when a large number of communicants assembled to greet their risen Lord in the blessed Sacrament of His body and blood. Another administration took place at 8 o'clock wherein many participated in the Eucharist. The celebrant at both offices was the Rector, Rev. A. B. S. Shilling, who was assisted by Rev. H. L. Pike. The additional number of communicants, including some of the recently confirmed, was most encouraging and it was good to see so many partakers of the Spiritual body of our Lord. Mattins was said at 11 o'clock, the order of morning Prayer being semi-choral, opening with a Processional Hymn "Servants of God awake." The Easter Anthem replacing the Venite Exultemus was finely rendered by the full choir, the triumphant note of the organ, under the manipulation of that veteran performer Mr. G. B. Lloyd, being particularly thrilling. The Te Deum, Jubilate Deo and the special anthem "Hallelujah! Christ is Risen" were on a parity of rendition, and all settings being familiar there was hearty congregational singing which was most inspiring. The Rector preached, taking for his text the words from the 1st chapter of Revelations, 18th verse (Revised Version) "And I was dead, and behold I am alive for evermore, and I have the keys of death and of Hades." The sermon was a masterpiece as an exposition of the Christian belief in the Resurrection of Christ, that tremendous fact, without which the world to-day would be a place of darkness with no hope of light, and the very large congregation listened with rapt attention as the preacher unfolded the various phases of the life that should be lived if we are desirous of rising with Christ. The offertory in aid of Queen's Theological College was tak-

## "Laxative Bromo Quinine Tablets"

C. M. Brown

en up during the singing of the hymn beginning "Ye Choirs of New Jerusalem." The third celebration of the Holy Communion for the day was made after Morning Prayer when again great numbers assembled around the altar and devoutly received the sacred elements "in remembrance of the sacrifice of the death of Christ."

At Evensong the Processional was "Christ the Lord is Risen Again," with Pye's "Magnificat" and the "Nunc Dimittis" as set by Jones. The special anthem was repeated, much to the delight of the worshippers. The several hymns were "Jesus Christ is Risen to-day," "Jesus Lives! thy terrors now" and "On the Resurrection Morning," the Recessional being that famous thrilling and magnificent sacred lyric written by Rev. Edward Perronet, beginning "All Hail the Power of Jesus' Name." Rev. Dr. Jones, Rector of St. Thomas's preached, the theme of his discourse being "The Immortality of Man," based on the words taken from the Gospel according to St. Luke xiv:5: "Why seek ye the living among the dead?"

### R. C. CATHEDRAL.

On Good Friday, at the R. C. Cathedral, Mass of the Presanctified was celebrated at 10.30 a.m., His Grace the Archbishop presiding in throne. Mons. McDermott was celebrant, Fr. Wilson, Deacon, and Fr. Sheehan, sub-deacon. The Passion was sung by Dr. Greene, Frs. Rawlins, and Flynn. In the evening the Office of Tenebrae was said, the Lamentations being sung by Frs. Conroy and Greene. On Holy Saturday the ceremonies of blessing the new fire and the lighting of the Paschal Candle took place. At Mass Rev. Dr. Greene was celebrant, Fr. Flynn Deacon, and Fr. Rawlins Sub-Deacon. On Easter Sunday morning, Pontifical High Mass was celebrated at 11 o'clock, His Grace the Archbishop being celebrant, Fr. Flynn, Deacon, and Fr. Rawlins, sub-deacon; Rev. H. O'Connor, High Priest with Dr. Greene as Master of Ceremonies. After Mass the choir sang the Hallelujah Chorus. In the evening there were Pontifical Vespers and Benediction of the Blessed Sacrament.

## Produce and Provisions.

(From Saturday's Trade Review.)

**CODFISH.**—There should be no room for despondency over the outlook for the codfishery the coming season, if all connected with the industry unite in the idea to do everything possible to have well-cured fish to send to the foreign markets. As it comes out of the water, our fish is the best in the world and we should not fear competition if we make it well.

Nobody expects next fall such high prices as prevailed for dry codfish the past five years. All concerned should therefore govern themselves accordingly, especially the planters and fishermen, and economize wherever possible on the outfit. We do not agree with pessimists, who predict that fish will be down to five or six shillings a quintal.

The total stocks of dry codfish on hand in Newfoundland to-day are estimated to be about 340,000 quintals. At the average rate of export, this will all be cleaned out by the end of June, so that there will be no old fish to market when the new comes in.

Last year, in August, there were 100,000 quintals of the previous year's catch. Of the 340,000 referred to above, there are 140,000 quintals West, 120,000 North, and 80,000 in the city.

Dry codfish like other food products the world over, will not be likely to go from one extreme in price to the other in one year or even two. It need never go back to pre-war prices if our fishermen cure the fish as it ought to be cured, and if our exporters would ship reliable cargoes. It rests with ourselves to keep the price up to \$12.00 for shore and \$9.00 for Labrador the coming season.

**COD OIL.**—Owing to the attractive price of common oil and the prospect for next fall's prices, we find that many fishermen are inclined to drop out of the Refined Oil Industry this season, alleging that it does not pay as well as \$2.00 or \$2.20 a gallon as the rotted oil at \$30.00 per tun. This would be a regrettable mistake from several viewpoints.

To-day Newfoundland Codliver Oil, thanks to the campaign of improvement by the Government inspectors, is on an equal footing as regards quotations in the foreign markets, as the Norwegian article. Codliver oil will probably go to \$3.00 again next fall and we think it would be a mistake for those who have the outfit to give up manufacturing. Newfoundland will be cleaned out of both kinds by summer, and the prospects for the coming season are very hopeful.

**HEERING.**—Scotch Pack Herring are rated at \$12.00 to \$14.00 per barrel in the local market, and split at \$4.50 to \$5.50. The demand is poor as nobody is keen on buying in view of former experience in the New York market. The whole system will need to be revolutionized before exporters and packers will have the necessary confidence in the business to invest capital again and make it a profitable industry.

**PORK AND BEEF.**—It is good news to learn that prices of Pork and Beef are tumbling in Chicago, and that there are good prospects that those indispensable articles in the fishery will be much lower than last year. The St. John's importers were wise in holding off from ordering all the winter and now the country will get the benefit of the reduced prices. Only about 7,000 barrels of Pork and 3,500 barrels of Beef have been brought to St. John's since January 1st.

**FLOUR.**—Flour imports to St. John's so far this year are short about 20,000 barrels as compared with 1913. This is said to be caused by shortage of tonnage more than from any other cause. Beside, there was a good surplus of flour on hand with dealers here at the close of the year. We do not think that anybody expects lower prices this side of September. Latest market news indicate higher flour for the summer. The price of leading brands is \$17.00.

**MOLASSES.**—There are seven Newfoundland vessels now at Barbados chartered to bring up cargoes of new molasses. The average yearly importation are about 11,000 guncheons, but we are informed that so far only half this quantity has been bought by Nfld. importers. It looks as if there will be a big shortage. The recent advance puts the local price up to \$1.70 for Fancy and \$1.55 for Choice.

**SUGAR.**—High priced sugar will prevail all the summer in the opinion of sugar importers. There is no shortage of supply to Refineries but, through various reasons the consumption has increased 40 per cent, as compared with pre-war times. St. John's is using more and our imports to date are some 3,000 cwts. over last year's. The present price of 20c. per 100lb is expected to advance to 25c. by July. The annual report of the American Sugar Refining Co. shows that consumption of sugar in the United States during 1919 approximated 4,000,000 tons, or 500,000 tons more than in 1918, and 200,000 tons more than in the previous record year of 1915.

## Give Him a Job!

[Lines suggested by "Employment" notice in Daily Press.]  
He's back from the fields of Flanders;  
From the war-torn soil of France;  
He's one of the Newfoundlanders,  
The terror of Hunnish advance!

He's saved both his hamlet and yours,  
He's bled for a national cause;  
And now he's dismembered and shorn  
Of his health—but to live on applause.

Must the country he saved be forsaken?  
Must he dwell on some far distant strand?  
While we at a neat cottage door  
Enjoy the brave work of his hand?

A thousands times NO—let such shame  
Be reserved for less heritaged lands.  
Let the slogan of "Liberty" be  
Employment for "Ours"—Newfoundland.

SIT LUX.

Brigus, C.B., April 3rd, 1920.  
  
NOTE OF THANKS.—Pte. Wm. Quinton wishes to thank Mrs. Keegan and McNelly; Nurses and staff of the General Hospital for their kindness during his stay in the institution.

## McMurdo's Store News.

MONDAY, April 5.

You will want a Spring Tonic probably. There are many such, and some very good ones. In this class stands McMurdo's Nutritive Hypophosphites. It is a real tonic, because it strengthens the nerves, increases the appetite, helps the digestive organs, and thus enables the body, by natural means, to recover itself, and it is one of the most economical of tonic mixtures. The fifty cent bottle contains about 50 average doses, the one dollar size contains 100 doses.

A new lot of Page and Shaw's Candies fresh from the manufacturers, in good assortments.

NOTE OF THANKS.—Mr. and Mrs. George Purchase, of Angel Place, wish to sincerely thank all those who helped in their sad bereavement, Mrs. and Mr. John Squires, Mrs. John House, Mrs. Samuel James, Mr. and Mrs. Captain A. Benson, the girls of the N.I.W. A. Store, Miss Laura Noseworthy, Miss Nellie Boone for wreaths to adorn the casket of their dear son, Walter.—adv.
