Buy upholstered Furniture that stays upholstered. Don't experiment with Chesterfields and Chairs that have nothing to recommend them but attractive prices. We make all our own frames from the best selected hardwoods and insure a solid foundation to build upon. The springs are manufactured of the best oil tempered Premier Spring Wire. Nothing but the best quality of stuffing materials are used and all work is carefully inspected before it leaves our factory.

**CLEAN UP and KEEP CLEAN**

This is what the New Government intends doing. We have been doing this for 25 years, as Cleaning, Pressing and Dyeing is our sole business. We devote our entire time to it and therefore we can give you better satisfaction than you can get elsewhere. Owing to the growth of our business we have had to remove to larger premises on the opposite side of the street (No. 22 opp. A. V. Duffy), which gives us ample room. We use the first flat, shop and showroom; second flat, repairing and pressing rooms; third flat, dyeing and renovating.

We would like you to see some of our work before sending elsewhere; all prices reduced since the New Year. Cleaning Orders given our first and personal attention. A rush job is our speciality. We call for goods and deliver them in two hours, if necessary. Suits Pressed while you wait; a nice dressing room; to change in. We can handle over one hundred pressing orders daily. In addition to Cleaning and Pressing, we clean and shape hats.

Gents' Suits Dry Cleaned—Hats Cleaned.  
Ladies' Costumes Dry Cleaned—Suits Renovated.  
Ladies' and Gents' Suits Dyed. Blue Serge restored to its original color.
