There is the secret of a comfortable, pleasant, healthy life for women. Don't stand up over the wash-tub, doing that grinding hard work, that isn't fit for any woman. Use Pearline. Soak the clothes over night, while you sleep; boil them a little; then there's no work to do but to rinse them. Don't make a slave of yourself trying to scrub things clean in the

At 8 p.m. the baseball players of both teams, many of them being good singers, went up on top of the G. T. R. station-house and gave a roof-garden concert in the moonlight. Their duets, trios, and choruses were loudly applauded.
