DECIDES ODD LEGAL POINT

Toronto. Oct. 9. - Can a man ir ransit through Ontario be arrested here on the ground that he is about to abscond with intent to defraud? This is the interesting question brought before Mr. Justice Anglin and he had decided it in the negative. James Adams and John Josh are two men whom David A. Sutherland had employed to work for the Bolivar Oil Syndicate in South America. While Sutherland was on his wa from Australia to London, for which place he had taken his ticket, his two ex-employes ran across him in the oil fields around Sarnia. They had him arrested on the ground that he was all abscending debtor owing them wages. To avoid detention he paid bail to the sheriff of Lambton county.
