M. Van der struggle in the modern history of the Nest had 22 severe bruises on his head metropolis. The issue is solely the and face, inflicted with a "life pre- question of the further municipalization of local industries. The present In court yesterday, the old man, who majority has been in unbroken control was warmly complimented by the since the creation of the council in 1889

The enterprise as now outlined calls for a capitalization not of \$47,000,000 cornet, trombone, etc. Private studio, ONTARIO'S CASHIER RESIGNS as at first stated, but for the gigantic sum of \$120,000,000 and the plan contemplates the buying up of nearly all

It has been pointed out that most of these plants will be useless in great centralized electrical works, entailing ashier in the provincial treasury de- an enormous initial loss, which, of course, will fall really upon the will be filled by promotion, details of taxpayers. Moreover, all electrical engineers agree that the council is utterly unable to manage to the best advantage the contemplated works, especially when the industry has not yet passed beyond the speculative stage. Parliament, whose consent is necessary, may perhaps intervene to prevent this greatest gamble with public funds ever

The principal development of the last few days has been a further exposure of the gross and indefensible manipulation of the county council accounts, designed to show the profits Picton, Feb. 3.—Fire was discovered made in some municipal enterprises statistician in England, after spending

> which amounts to one of the greatest scandals of the day. It has one redeeming feature. No dishonesty in the ordinary sense is alleged against any-McKinnon Wood, the leader of the Progressive Socialist majority in the council, in a speech on Thursday, affirmed that his party would make tramways the issue of the campaign and proceeded to argue that they had paid a handsome profit. It has been promptly pointed out that instead of charging, as announced in advance, ng where they were made for the benefit of trams, to the tramways' account, which would have amounted to \$7,000,-

Aside from this by proper bookkeeping of the actual operation, the account would have shown a big loss. Londoners, however, refuse to confine their attention to the small issue mentioned by Mr. Wood. They look mainly to the fact that London's debt has increased from \$35 per head, when auction, at 243 Dundas street, London, Ont., on Tuesday, Feb. 12, at 2:30 p.m., part of and that London can borrow today,

000, only \$1,500,000 has been so charged.

the face value. Property includes a store and dwelling, Every rentpayer has had it brought the former at present being used for a home to him in the last year or two Terms and conditions will be made that some of the additional burdens ion of the purchase money may remain and there is a strong probability, therefore, that a new non-socialistic

NOT A WHEEL TURNING

Canadian and American West Hard Hit by Snow and Frost. Winnipeg, Feb. 3.—The great storm Thomas C. Knott, real estate broker, which swept over the west has completely tied up the railroads, and PRIVATE FUNDS AT LOWEST RATES - scarcely a wheel has turned in threa provinces since Friday night. The blizzard was the climax of the worst winter the west has seen for 25 years and the railroads are almost hopelessly

tied up. Owing to the terrible storms the railways have been unable to bring forward enough coal from the head of the lakes to keep up with the consumption until at the present time the stocks are practically exhausted.
