ECZEMA CAN BE CURED TO STAY, and who worse than before. Remember, I make this broad statement after putting twelve years my time on this one disease and handling in the meantime rearly half of a million cases of this dreadful disease. Now, I do not care what all you have used, nor how many doctors have told you that you could not be cured—all I ask is just a chance to show you that I know what I am talking about. If you will write me TODAY, I will send you a FREE TRIAL of my mild, sociting, Editarniced treatment that will convince you more. In a day, than I or anyone else yould in a month's time. If you are disgusted and discouraged, just give me as chance to prove my claims. By writing me today I believe you will enjoy more real comfort than you had ever thought this world holds for you. Just try it and you will see I am telling you the truth.
