#### APPOINTS FUEL **ADMINISTRATOR**

Drury Names J. A. Ellis To Solve Coal Problems of Ontario.

New Official Will Work From Toronto, Ottawa and Border Points.

TORONTO, Aug. 11. - Premier Drury today announced the appointment of Vice-Chairman J. A. Ellis of the Ontario Railway and Municinal Board to the position of fuel administrator for Ontario.

"If it can be done, it is my job to see that some coal will be available in all parts of Ontario before the cold weather sets in," said the new fuel administrator, upon his exit from the premier's office, after a consultation today with wholesale and retail representatives of the coal trade from different parts of Ontario. He stated the dealers had promised o-operation.
Fuel Administrator Ellis said he G. T. R. DEBENTURES co-operation.

Toronto, Ottawa and the border points at which coal shipments arrive for distribution in the province. He did not think it necessary for him to do any investigating in the Unconfirmed Rumors That mining regions. That part of the work, he believed, could be efficiently handled by Dominion Fuel Administrator Magrath at Ottawa. Mr. Ellis will see Fuel Administrator Magrath at the capital tomorrow, and he hopes to secure a working arrangement. "If it is possible the rations will tion has been caused in the stock

be limited to one ton per order in market by the rise of over 12 points the case of householders," Mr. Ellis to 47 1-2 yesterday in Grand Trunk remarked. "Of course, if the ship- Pacific debenture fours, due seem ments are slow in reaching the provingly to rumors, so far quite unconince the chances are that only half firmed, that the Canadian government is going to do something handsome that quantity will be delivered."

Mr. Ellis pointed out that Welsh for the holders. anthracite was out of the question. and that hope of getting anthracite from the United States in any quan- sible in some measure for the extratity might just as well be abandoned ordinary leap in the quotation. at once. His information was that An offer by a leading Ca there were no available stocks at present upon which to draw, and that and 4 1-2's at 111 has also aroused in the event of the miners' strike being settled, it would be some time before the output would be such that any of it would find its way across 113, such a quotation for a four per the line. Domestic consumers, therefore, he said, would have to reconcile themselves to using bituminous

#### ST. THOMAS MAY REPLACE STREET CARS WITH BUSSES

Aldermen Make Trip To Guelph and Preston To Examine Jransportation Systems.

Special to London Advertiser. St. Thomas, Aug. 11.-The operation of motor busses, which it is ex pected will eventually supplant street cars in the city, was examined in detail Friday by Alds. Robert Middleton and John Jagoe and Manager Chas. Johns of the local department, who made a trip to Guelph, Preston

and surrounding towns. The bus system in Guelph has given excellent satisfaction, it is reported, and that method of carrying the public is employed almost exclusively in the district. The bus bodies are manufactured in Preston, and an opportunity was given to witness the substantial manner in which they ing the grounds during the past few RAIL STRIKE IN substantial manner in which they ing the grounds during the past few
