

MRS. ANDERSON TELLS WOMEN

How Backache and Periodic Pains Yield to Lydia E. Pinkham's Vegetable Compound

Leslie, Sask.—"For about a year I was troubled with a distressing down-bearing pain before and during the periods, and from terrible headaches and backache. I hated to go to a doctor, and as I knew several women who had taken Lydia E. Pinkham's Vegetable Compound with good results, I finally bought some and took four bottles of it. I certainly do recommend it to every woman with troubles like mine. I feel fine now and hope to be able to keep my medicine on hand at all times, as no woman ought to be without it in the house."—Mrs. OSCAR A. ANDERSON, Box 15, Leslie, Sask.

Mrs. Kelsey Adds Her Testimony
Copenhagen, N. Y.—"I read your advertisement in the papers and my husband induced me to take Lydia E. Pinkham's Vegetable Compound to get relief from pains and weakness. I was so weak that I could not walk at times. Now I can do my housework and help my husband out doors too. I am willing for you to publish this letter if you think it will help others."—Mrs. HERBERT KELSEY, R.F.D., Copenhagen, N. Y.

Sick and ailing women everywhere in the Dominion should try Lydia E. Pinkham's Vegetable Compound before they give up hope of recovery.

What's Best For A Bad Stomach?

Nine-tenths of all stomach troubles—indigestion, sourness, gas, pain, heartburn, etc., are caused by an excess of acid in the stomach. Artificial digestives, such as pepsin, are not needed in such cases and may do real harm. Try laying aside all digestive aids, and instead neutralize the acid that has upset your stomach with a spoonful or two of Bisurated Magnesia. This instantly sweetens the stomach and stops the pain and discomfort and your food digests as nature intended. For quick, positive relief from Acid Stomach.

MEN AND HORSES

How closely related is man to the more intelligent of the animals is seen in many of the ailments to which both are prone and the remedies to which they answer.

Doctors and veterinarians are often-times surprised to learn of the similarity of their methods of handling the ailments of man and beast.

Sprains, burns, scalds, scratches and many other minor injuries, many everyday ailments, too in men and animals take the same course, and both answer immediately to the same treatment—Absorbine Jr.

Absorbine was first discovered by a very close student of the horse, W. F. Young, and by him devoted to its cause. Its very exceptional benefits, however, were promptly seized upon for the human race and, in a milder form, the preparation is sold all over the continent today as Absorbine Jr. It is used for men, women and children everywhere as a positive germicide—a germ killer—and a prompt and certain healer of all hurts. It is useful not only for all the purposes served by ordinary liniments and embrocations, but as a mouth-wash and for anything else where a germicide is needed. Don't wait until you need it. Get it in the house today. \$1.25 at your druggist's.

U. S. SOLDIERS ARE TO RECEIVE BONUS

Senate Backs Measure, Despite Strenuous Protests of President Coolidge.

MAY AFFECT TAXES

Associated Press Dispatch.
Washington, May 19.—The soldiers' bonus bill finally has become law.

The measure, which has been the subject of a fight between the United States Congress and two successive presidents, was repassed today by the Senate over President Coolidge's veto by a vote of 59 to 26.

This was a margin of two votes more than the necessary two-thirds majority as compared with the 51 votes there were to spare when the veto was overridden in the House last Saturday.

President Coolidge made a futile last-minute effort to have his veto sustained in the Senate, calling to the White House for a breakfast conference seven Republican senators.

Four of these, who had previously voted for the bill, cast their ballots in support of the executive.

Altogether there were only five senators who had supported the bill on its first passage to vote against it today. The last move of the administration was to seek delay in the vote until Saturday.

Senator Curtis of Kansas, assistant Republican leader, who had charge of the bill, moved for a vote, and was joined by Senator Robinson of Arkansas, the Democratic leader, in suggesting that debate was unnecessary.

While House officials, in discussing the senate action, emphasized that the Mellon tax-reduction program was predicated on the assumption that there would be no bonus legislation. While they refused to say so directly, they left the impression that Congress having decided on a bonus, hope of material tax reduction must be abandoned.

Secretary Mellon was not prepared to discuss the effect of the bonus on the treasury's financial program, but he said that "sooner or later there must be provision for payment, and it can be met only by new taxes."

The soldiers' bonus has been variously estimated at from \$2,255,000,000 to \$4,000,000,000, treasury officials making the higher estimate. The only cash provided for is \$50 to each service man not entitled to more than that in adjusted service credit. Others would receive a paid-up twenty-year endowment insurance policy.

Shatter Dreams of Bandit Girl

Canadian Press Dispatch.

Toronto, May 19.—A sentence of six months' imprisonment registered today, cut short Molly Pennington's dreams of becoming a "hobbed-haired bandit." Molly came to Canada from the old country to become a domestic servant, but developed other ambitions. One of her letters written to a male associate asking for a revolver and a "gang to break into jewelry stores and rob houses" was produced in court, where she was charged with vagrancy. She may also be deported.

North Bay, May 19.—Heavy rains on Saturday night caused undermining of the Canadian National tracks at Mileage 26, between Brent and North Bay, and the track caved in when the Transcontinental Limited was passing over it Sunday morning, derauling the engine and baggage and express cars. The front truck of the second class coach also left the track, but was quickly pulled back when the auxiliary arrived.

No one was injured, according to an announcement made by Superintendent Devlin today, though do-

ctors were rushed from North Bay. The limited was delayed 18 hours, but the main line is again clear today.

and this morning's trains, including a late immigrant train, came through safely.
