

Ontario Championships Here August 4 Attract Best Array of Talent In Ontario and Michigan

Track Meet Arrangement Complete, Committee Shows

A. T. Taylor, Chairman, Submits List of Officials For August 4.

The L. A. A. a committee in charge of details of the Ontario track and field championships last night reviewed the list of probable officials, submitted by A. T. Taylor, and accepted it, provisionally. Reports of the advertising, finance, tickets, program and other committees were read, showing satisfactory progress.

actory progress.
It was unanimously decided that first, It was unanimously decided that first, second and third prizes be awarded for the playgrounds road relay. In this race, each of the teams from the playgrounds will consist of four girls and four boys. The start will be made at 1:30 p.m., at Dundas and Richmond streets, and race will finish at the main entrance of Queen's Park. The first prize will be individual silver medals, identical with the Ontario championship models, while second prizes will be bronze duplicates. George Little kindly offered to personally supply third prizes, in the way of chocolates. Sid. Rankin, who is attending to the details of the relay, is arranging to have east-bound traffic on Dundas street halted for ten minutes and traffice officers at each intersection will attend to the crossings.

Arrangements have been made to erect tents for the use of athletes, and a system of warning as to time and a system of warning as to time and proximity of events satisfactorily used elsewhere, will keep the athletes in touch at all times. The committee will meet again next Thursday at 7:30 p.m., when any final details will be smoothed out.

out.

Are Open to World.

The events will be thrown open to American athletes, and since the decision in this regard, several noteworthy entries have been received. This decision is not in accordance with the rules of the Ontario branch of the A. A. U. of Canada, though at other meets, it has been the practice for years.

At the meeting the pros and conswere debated. Some held that view and rightly so, that to allow American athletes to compete would, perhaps, keep a Canadian championship from a Canadian. Others argued that the better the talent, the greater the enthusiasm of talent, the greater the enthusiasm of the athletes, and the increased effort put forth to gain the laurels of the day. The records of the work on the track of the U. S. A. athletes compares very favorably with the Canadian records, favorably with the Canadian records, and in many instances supersedes them, and if the Ontario men intend to hold on to the Ontario championships they must indeed do some hustling.

Don Purdy, who is at present attending summer school at the University of Michigan, Ann Arbor, has made a creditable record as a member of the state relay team. His record for the 220-yard dash is 22 1-5, while the record made at the Ontario championships last year in Ordlila was 23 by Wm. Wardrop of the Central Y. M. C. A., Toronto. His time for the 440 is 52 seconds, compared with the record of last year which was 53.

Report Peel a sprinter from the

Robert Peel, a sprinter from the Michigan State Normal, made the 120-yard high hurdles in 16 1-10, compared with the record of K. L. Carruthers, which was 16 2-5 seconds, in 1922. In the 100 yards he fell below by 2-5 second. Nevertheless, the Ontario men have something real to buck against.

Higgins Fast.

Ed. J. Higgins, a member of the Michigan State relay team, also ran for the State Normal and the University of

Michigan State relay team, also ran for the State Normal and the University of Michigan, his time for the 100 yards being 10 1-5 seconds. The Ontario record last year was 10 2-5 seconds. For the 220 his record is 22 3-5 seconds. The championship record for Ontario in 1923 was 23 seconds. As a hurdler, he far outdistances the Ontario record, and in the running broad jump Higgins makes 21 feet 6 inches, while Charles Kelly of the Central Y. M. C. A., Toronto, made only 20 feet 11½ inches in 1922. Detroit sends a well-known man, Harold F. Davis, who holds several records of the State of Michigan. He neld and lost the Michigan interscholastic record for the 440 yards at 514-5. He still holds the indoor record for 440 yards at 253-5 on a 24-lap track. For three years he has never been beaten in the Ontario

440-yard dash.

The probable officials of the Ontario track and field championships are: Field referee, Walter Knox (at present track and field championships are: Field referee, Walter Knox (at present employed by the provincial government for high school athletics), or C. Fry, chairman of the track and field committee of the A. A. U. of C.; starter, Bobby Kerr, Hamilton; track referee, G. Mel Brock, St. Catharines; timers, A. W. Steele of the A. A. U. of C. of Toronto; Frank Hyde of Woodstock, Dr. Detwiler of London and Mayor George Wenige of London; clerk of the course, Dr. G. Smith of London; assistants, George Sinclair and Gordon Butler of the London Y. M. C. A.; judge of walking, Lon Lindsay of Toronto; field judges, W. T. Lawrence, J. J. McHale, Fred Waud and Major Lawless; track judges, G. E. Reid, J. A. Greer and E. V. Buchanan; announcer, George W. Little; scorer, H. B. Rutherford; assistant, George Wainwright; inspectors, J. B. M. Ferguson, F. J. Delaney and J. M. Hatt.

Little Lessons In Golf BY CHESTER G. HORTON. Nationally Known Golf

Any normal person should be able to putt well.

The only putt that is really hard to sink is the one that is made diffi-cult by your opponent telling you in advance that you are going to sink it. Therefore, tall yourself you are going to sink it before anyone else has a

Diamond **Glints**

Saginaw, Mich.—Art Karpus, former University of Michigan third sacker, who has been with the Saginaw Aces the past three weeks, was loaned to Kalamazoo on option today.

Charley Hint, secured from Chattanoga, joined the Aces and will hold down the third base job.

President Clements of the local club also announced that Johnny Kane, shortstop, had been recalled by Birmingham of the Southern Association at the close of the season.

Kane, who was on option on Birmingham by Saginaw, was loaned to Muskegon on option at the start of the season and has been playing a great game for the Muskies.

Saginaw has been asked to set a price on Pitcher Frank Wayneberg and Outfielder Tex Jeanes by the Toronto International League Club.

Up Flint way the fans have an idea that the M.-O. pennant will be won by the Vehics. The team did not look any too promising earlier in the season, and during June was under the .500 mark in the percentage table; but now it has climbed to within striking distance of the leaders and is causing both Bay City and Saginaw some worry. The addition of "Lefty" Feigert to the Flint pitching staff makes Flint a good outside bet for the flag, despite the fact that the team has some four games to make up to catch the leading Wolves. O'Leary now has three classy left-hand hurlers in Feigert, Jackson and Eddleman, and both the Aces and the Wolves are weak against left-hand pitching. Besides his left-handers, Lundgren, youthful right-hander, is pitching great ball for O'Leary, and Sheppard, another right-hander, is also doing his share. Flint's mound staff, right now, is going better than any in the league.

The Grand Rapids club would no oubt like to have some of the players ti discarded earlier in the season. Ray Dunn, who is playing second for Sag-inaw and making a good job of it, was with Grand Rapids during the training with Grand Rapids during the training season, but he did not get a chance. "Speed" Walker, who played first for the Billbobs on their first visit here, was let go because he could not hit, but now he is burning up the Three-Eye league with his clouting. Kimball, now with Muskegon, has a better batting average than any man on the Grand

New York, July 27.—Johnny Dundee, as champion of the world in the featherweight division, is willing to meet any challengers for his title. He said so today. But word to this effect by him was not necessary. No one ever accused Johnny of lacking a willingness to fight anyone, any time, and not for a mint of money either.

But as the title-holder he may develop new tendencies. Johnny never before has held the title; it is apt to change the man. Be the fighter ever so fierce before he has won his crown he develops caution immediately. It is in his possession, so with this in mind Dundee's bellicose statement is reassuring. Still with caution which has been pushed upon the follower of the ring game, it might perhaps be just as well to wait until some contender for the title appears and begins to badger Dundee for a fight. Just now there is no one in sight; the champion never had the appearance of sitting tighter or prettier. As for the Dundee-Criqui fight before an unsportsmanlike crowd at the Polo Grounds, the Frenchman would have done better had he known how to meet this human dynamo. He did not. He had not the faintest idea

Special to The Advertiser Wallaceburg, July 26.—The Wallace burg lineup for the big game on Satur-ay between Wallaceburg and Windson day between Wallaceburg and Windsor intermediate lacrosse teams will be as follows: Goal, Murdock; point, Mathieson; cover, McGee; first defence, O. President Heard has set forth the case for the owners of the London pall club in a clear, straightforward manner, which should settle some of the wild rumors which were rife among the fans of the city and have bee

It is entirely possible that such candor would have done a greater good earlier in the season or at the end of last season. However, there is still the question left of whether London fans want professional ball or can afford it. Amusement enterprises—and professional baseball comes under that head—is especially open to the vagaries of the public, and it is just possible that under the best of conditions the attendance here would have fallen almost to the level it is at present. Money has tightened up considerably since the peak was reached in baseball enthusiasm in London, and afternoon baseball, besides taking money, also takes valuable time which fans who are businessmen probably can use to advantage.

Owning a minor league ball club comes as a luxury at best, and only men who feel that they can afford the pleasant gamble it is should become mixed up in the business. The chance of developing sensations which could be sold at enormous figures is a highly speculative side of minor club owning which might have its appeal, but which in the final analysis is a longer shot than most mining and oil stocks.

Besides coming as a luxury, it also lists high with the thankless jobs of

Besides coming as a luxury, it also lists high with the thankless jobs of

Lee Mackey has not deserved by a long shot a lot of the criticism aimed at him at wild random. He has made few tactical blunders that the fans i could find fault with, and there are always two angles to baseball strategy, and sometimes a good many more. He had not, as Wetzel had when he took over the club, a whole winter to gather in ball players, but took over the job in the early spring, with the obstacle of lack of baseball connections

The London seniors were elbowed out of a chance at St. Thomas in the first series by this Woodstock crew which is leading the league, until this afternoon anyway, and there may be something of the revenge element enter into the clash in the ex-Baby City after lunch today.

The Central C. I. track squad will get a chance at the Toronto Y mee today to limber up for the big meet here August 4. As the Hamilton Collegiate passed up Toronto in order to be ready for the test here at the Ontario championships, some of the incentive will be lacking for the local collegians in their efforts at Toronto.

Dope Put Them In the First Division, Play In

Cellar.

By JOHN B. FOSTER.
Copyright.

New York, July 27.—The Boston Nationals have drifted into a rut running parallel to that of Philadelphia, and the National League has two tasks of up-building instead of one. This is the team which was confidently predicted to be a first division organization, but pre-season forecasts did not go according to form.

Beginning with the Bostons last series with St. Louis down to date, the Braves have won two games out of seventeen. Boston lost five straight to St. Louis, then Cincinnati came along and won the Cincinnati came along and won of five. Brooklyn intervened and Boston dropped off there with a record of one victory and one defeat. Following up on that came a double loss to Pittsburg and they were defeated Thursday, so that Boston in eight games won one from Pittsburg.

Binns will catch. This battery has proved to be one of the strongest in the league.

The same changes that helped to win the game for St. Thomas against London will stand good Saturday. Arlein will retain the third sack, and Farley will keep second. while Rise-borough will remain on shor "Risey" is beginning to show championship form and is developing into one of the fastest infielders in the S. O. League. Farley is proving a good man on sack No. 2, and great things are expected of him in the future. There is great interest here in the game at Woodstock Saturday between London and the Pirates. If the Pirates trim the Forest City, then St. Thomas and London are the first part of the second series, and a play-off will be necessary. If London wills they have cinched this title, and will be in a position to capture the second part of the second series, so that they will be able to meet St. Thomas for the champion-ship form Pittsburg.

Associated Press Despatch. Rockland, Maine, July 27.—Clarke Griffith of the Washington Baseball Club has offered ElmergRising, 17-year-old southpaw hurler for Rockland High School, a chance with the Senators. Rising's record this season includes a performance of 23 strike-outs in nine innings, and another of 26 strikeouts in a 13-inning game. FOR WINS TODA

Locals Play Woodstock and Saints Go To Strat-

ford.

PRING IS TO PITCH

It's likely that Pring will be sent in against Woodstock this afternoon. The fiery little right-hander didn't lose his pitching arm at St. Thomas Wednesday—he lost his head when Crawley took his goat for an airing. He should be able to subdue the newly-charged Woodstock aggregation, and the rest of the team is right on their toes so that the team is right on their toes, so that the advantage they have now in the third series will not be lost, London probably has the hardest assignment this afternoon, as Woodstock's rejuvenation seems to be complete. However, there is no telling what the hard-hitting Stratford outfit will do if they strike a good day.

DOUGHERTY WILL PITCH. Woodstock, July 27.—Saturday will be a busy one in sports in Woodstock, and the fans have a good assortment of games from which to choose for their support. The London and Woodstock Southern League teams will battle in Agricultural Park at three o'clock, and Bert Donahue's locals will not be satisgert Donahue's locals will not be satisfied with anything but a win over the Forest City team. Young Dougherty will pitch for Woodstock, and judging by the way he loosened up for a couple of innings in the City League fixture Thursday night he should just about tie the Londoners in a knot. The game is attracting much attention, and a record crowd is expected.

MARKS MAY PITCH.

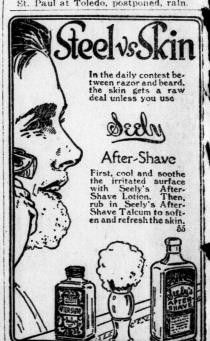

Stratford, July 27.—The battery for Saturday's S. O. B. L. fixture at Agricultural Park, when the St. Thomas nine comes here for the last time this season will likely be Marks and Mc-Kenzie for Stratford. Marks hurled last night in an exhibition game, and allowed the opposing side few hits, though he has not hurled in over a month because of an injured finger. The lineup for the Bards for Saturday will be

favorite position at third, and Flanigan will be moved back to second if he is

SAINTS ALL SET.

St. Thomas, July 27.—The Saints are primed for their Southern Ontario tue fixture at Stratford Saturday, were given a stiff workout at Pina-Park Friday evening. Manager Nethercott directed a practice Thursday night, also, and reported tonight that his team were prepared for another victory.

The homesters' crushing defeat of the London Cokneys here Wednesday afternoon has put new life into the players, as well as raising the hopes of the fans, who had begun to feel that all was lost. It is likely that Danny McPhee will take the mound against the Bards and that the mound against the Bards and that Binns will catch. This battery has proved to be one of the strongest in the
