## DANGEROUS PRACTICE

Last week one evening about 8 o'clock a lady setting in front of her home heard a shot of a rifle and distinctly heard the hum of a bullet. She went into her kitchen and then heard another shot. This time the bullet broke a pane of glass in the kitchen window. The police were notified and a young man, a returned soldier was up before his Honor. He was fined but the fine was allowed to stand. This soldier was keeping his aim true by firing at a tin can on a fence.
