Messrs. E. B. Osler and W. B. Scarth, the managing directors of the Northwest Land company, have published a letter

would be here, the council should make arrangements for his reception.

Mr. Tyrell asked if it had been noticed that there were several irregularities in the printed rules and regulations of the industrial home at Newmarket. He read different passages which he thought ought to be amended.

The warden said the present rules would have to suffice until the June session at least. He thought they would be sufficiently understood until that time.

Frankish. A few minutes later the warden received a memorandum from City Clerk Roddy intimating that the city council had appointed its committee. The by-law was read three times and passed.

A notice of motion was given by Mr. Gibb looking to the abolition of toll gates on the county road of York. Mr. Watson also gave notice for the appointment of a committee which was to investigate to what extent the abolition of toll gates would affect the county taxation, said committee to report at the June session.

Dr. McConnell gave notice of motion to have the toll gate and toll house at Brockton removed to the northward outside the municipality.

municipality.

Mr. Jones introduced a by-law to amend by-law 306, regulating the presenting of petitions, remonstrances and communications to the council. Also to advertise in

upon so fine a sentimental, pathetic, quietly humorous, and thrilling a drama as presented in the Maid of Arran, now being played at the Windsor. The east is excellent."

Let attraction. Manager Sneppard announces that the company has cancelled its Buffalo dates and will remain here all of that complete harmony most conducive to the speedy completion of a through line from the Atlantic to the Pacific on British territory.

The Session Lasts from 11 a.m. until after The Ontario assembly sat from 11 o'clock vesterday morning till midnight. A good

order, as substantially the same question had been decided previously this session.

Mr. Meredith appealed from the ruling of the speaker, but it was affirmed by the house by 40 to 25.

Mr. Meredith moved an amendment condensate the residence of the interest of the inte Mr. Meredith moved an amendment condenning the provisions of the income franchise act which require the payment of
taxes on \$400 income, while the law exempts incomes to the amount of \$400 from
taxation, as being unjust and contrary to
the principle of an income franchise law.

Mr. Fraser quoted parliamentary authorities to show that the amendment was not
in order, and asked the speaker to rule it

least. He thought they would be sufficient by understood until that time.

Subsequently Mr. Ashland asked if it were true that there were inmates in the home who "owned real estate, and it so, if they were admitted on the same terms as other paupers."

The warden, with much gravity, replied that he was not aware of any "real estate owners" who were inmates of the poor house.

Mr. Watson, chairman of the committee on legislation, reported a draft by-law providing for the appointment of a committee of council of the city of Toronto on the selection of a site for the erection of a new court house.

The by-law provides that in case the city fails to appoint a committee of the county committee will proceed to select a site and report the same at the June session of council. The committee named was the warden and Messrs. Porter, Duncan, Richardson, Eakin, Jones, Rowan, Watson, Frankish. A few minutes later the warden received a memorandum from City Clerk Roddy intimating that the city council had be paid." We believe, on the contrary, that the ordinary shareholders look on the general dearned was the warden are cevered a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be received a memorandum from City Clerk Roddy intimating that the city council had be though it may be expected that the public

of the Grand Trunk to the Government. They are of opinion that "the holders of Grand Trunk ordinary shares desire that this indebtedness should be paid." We believe, on the contrary, that the ordinary shareholders look on the debt to the government as having been cancelled many years ago by act of parliament. Of course the directors are quite correct in asserting that the Grand Trunk company never had any assurance of monepoly, and we are not aware that they have ever claimed it. It is to be hoped that both companies will prosper in the future, and that there will be business for both. We are glad to find that the directors are so sanguine as to the prospects of the so sanguine as to the prospects of the Northwest Land company. The letter inserted as an advertisement on another column may be of interest in this respect.

—Montreal Journal of Commerce.

Montreal Journal of Commerce.

In its general review of the year the London observer has the following remarks on the position of the Grand Trunk railway and its relations with the Canada Pacific:

"A disposition exists in certain quarters to make the most of such divergence of
