

WEST-TORONTO TROUBLES

can be checked and the loss made good by investment in lands which I am now offering for sale at

West-Toronto Junction

at such prices as must insure large profits to purchasers. The Property offered by me in quantities to suit purchasers, is by far the

BEST AND MOST ELIGIBLE

for all purposes in that rising locality. I have made large sales during the winter and am determined to close the whole transaction out, covering

OVER FIFTY ACRES

at once. There are at least one hundred houses wanted at this point at once, and the sites I offer are the best available. Call and Examine the plans.
